Members' Questions

Cllr Blaney advised that in relation to the Boyton Messaging Service, there is currently a Facebook page running called Boyton Matters which could be used, or alternatively to look at a messaging group which will text the information to all Parishioners that have signed up. It was agreed that the Clerk would contact CALC to confirm what responsibility the Council would have and the legality of these systems being used. It will also be added to the AGM agenda to gauge the Parishioners interest in this service to see if this is worth pursuing

Cllr Blaney advised he has been approached by a Parishioner who would be interested in a Youth Club within the village. Whilst the Parishioner did not feel he would be able to run the club, they would certainly be interested in helping out. It was agreed that this would be added to the AGM and notices can be sent to the Clerk to add to the noticeboards and website

Cllr Blaney suggested that a parent and child yoga class may be beneficial to the village. It was agreed that this would be added to the AGM and notices can be sent to the Clerk to add to the noticeboards and website

Cllr Davey advised that there are no public footpath signs on the path from The Lyndhurst to Bearden and part of the path is impassable. The Clerk confirmed that the information regarding the Local Maintenance Partnership programme had been emailed out recently. It was agreed that this email would be resent, the item would be added to the next Agenda and the Clerk would walk the path to confirm the condition and take photos where appropriate.

It was agreed that a Spring Litter Pick would be arranged for Saturday 13th April. The Clerk will speak to Biffa regarding the equipment required, add posters to both noticeboard and website and add to the AGM Agenda to make the Parishioners aware
