Planning

Revised application **18/02132/FUL Construction of area of hardstanding (retrospective) at Hill Top Farm, Cliffhill Lane.**

The revised application addressed the various issues raised on the original application by the neighbours, neighbour's solicitors, APC, Environmental Health, and the Borough Cllr M.Stockwood. APC thanks the applicant for clarifying points raised regarding the original application and in light of the information provided they have **no objections.**

18/02463/FUL Construction of two storey dwelling and detached garage, Abbey Farm Cottage, New Lane.

Cllrs R.Sharpe and J.Brown had a site meeting and reported back that the immediate neighbour to the proposal had no objections. After a brief discussion it was agreed that APC in principal have no objections to the proposal however require clarification as to the future operation of "Creative Landscapes" from this site. Although the application refers to parking for 3 cars, there is no mention of other vehicles associated with the running of the business.

18/01569/OUT (outline application for up to 6 dwellings with all matters reserved except access at land to the north of Abbey Lane).

There is a query as to the exact details of the appellants Statement of Case - whether it is in fact just the Planning Policy Design and Access Statement from the original application? Cllr Barker to clarify with the case officer J.Hall. It was agreed that if further documents are submitted and a response is needed, Cllr Barker and Cllr Auckland will reply on behalf of APC.
