Quatt Parish Council

The Safer Neighbourhood Team (SNT) are checking all Priorities that were chosen by Town and Parish Councils. At the time of checking your current priorities are:

1. Priority One – Antisocial behaviour
2. Priority Two – Speeding
3. Priority Three – Theft farms

If you now feel that these do not reflect your priorities or what is an issue for your parish now, can you please select from the following table below and let the SNT know by email asap.

When choosing from the below we are asking to know more specific information such as locations, when things are happening such as, times, dates and any relevant information such as known persons or vehicles involved, giving Registration numbers where possible would be very helpful.
In addition, if you feel that you only need one or two priorities and not the three could you advise us of this.
Finally, if there are any changes in Councillor's details, please could you update the team on the below e mail.

Anti-Social behaviour	Off Roading	Theft (Farms)
Anti-Social Driving	Organised Criminal Gangs	Theft (Livestock)
Begging	Other Traffic Offences	Theft (Other)
Child Exploitation	Road Traffic Collision	Theft (Outbuildings)
Criminal Damage	Rough Sleeping	Unlawful Gathering
Doorstep Pedlars	Speeding	Wildlife Crime

Thanks kind regards
