FROM THE PARISH COUNCIL CHAIRMAN

Dear Parishioners,

I hope you've all had a good summer. I think we've had four heatwaves, which has been a little different and very worrying for our farmers. I know this will be bad for many of the crop yields and I wish them the best of luck.

For myself, I've had little time off this summer, but when I did return from a long weekend in Gibraltar for my father-in-law's 80th birthday I literally thought the plane had done a 3-hour loop, as it was so hot when we arrived back in the UK.

The Parish Council has been busy communicating throughout the summer as there are always things to discuss, although we don't have a meeting in August,.

September's PC Meeting will be important as we have our new Parish Clerk starting, Joanne Garvey. We're very excited to have Jo on board and hope that the whole Parish will join me in welcoming her. She lives locally and has excellent IT skills to drive us into the 21st Century.

We've also been greatly helped over the last few months by our Locum Clerk, Allison Leigh, who has kindly agreed to provide crossover with Jo, so that we can have some kind of transition.

I can't thank Allison enough for the job she has done in getting us through our audit, revamping our governance and generally making sure that Jo has a chance of taking over a Parish Council that is hitting most of the modern regulations.

You'll see in this Newsletter that there's a 'Take it Home' campaign to encourage us to recycle more and I think the key is that if you put recyclables like cans and paper in a public bin then it's likely to go to landfill. If you take it home then you can be fairly sure that it will be recycled, as it won't be mixed with the likes of poop bags and other non-recyclables.

The PC has been intending to send a Councillor on site to see just how all our rubbish is processed, but this was scuppered by the covid pandemic. We will do this soon and then give you a full report on how all our waste is disposed of and how we can be most effective in looking after our environment. None of us want to think we've recycled and discover that small mistakes mean whole lorry-loads of waste go to landfill instead.

We look forward to continuing to serve the Parish and, along with the usual business, we have already begun planning Bonfire Night in November with help from the team at the Bat & Ball.

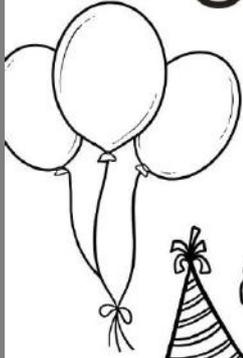

Please keep contacting us on the PC email address with any queries - cuddesdon.dentonpc@gmail.com or contact one of us directly.

As always, everyone is welcome at our next meeting on 2nd September at 7.30pm in the Village Hall.

Best wishes,
Chris

FROM THE REVEREND CAROLINE KING

Administrator and taker of occasional services

I am writing this in the middle of another heatwave and know I have not been alone in sometimes finding it too hot to cope with on those very hot days; even so I loved the relatively cool mornings and evenings. For most of us the weather is a topic of conversation, delight and occasional frustration; it can aid and frustrate gardeners in equal measure but long term it will not affect our general health or livelihoods.

Hot weather can be life threatening for those struggling with acute and long-term illnesses. Some figures suggest that our overstretched hospitals have been as full in the hot spells as they were during the peak of winter. I hope the autumn weather provides some welcome relief and rain with little extreme weather and no flooding.

As a result of the hot weather some crop harvests have been very early, others such as root vegetables have been very badly affected by drought. On the face of it early harvests sound like good news. However, many farmers are saying that their crop yields have been reduced by the exceptionally dry weather.

Tom Lancaster, land, food and farming analyst at the Energy and Climate Intelligence Unit said this a few weeks ago:

“Climate change is already having a devastating impact on UK farming and our collective food security, pushing up shopping bills and leaving many farmers at the end of their tether. Although it’s too early to tell what the true impact will be of this record-breaking dry spring, we know enough to conclude that it will have had a negative impact. All eyes are on the next few weeks’ weather.”

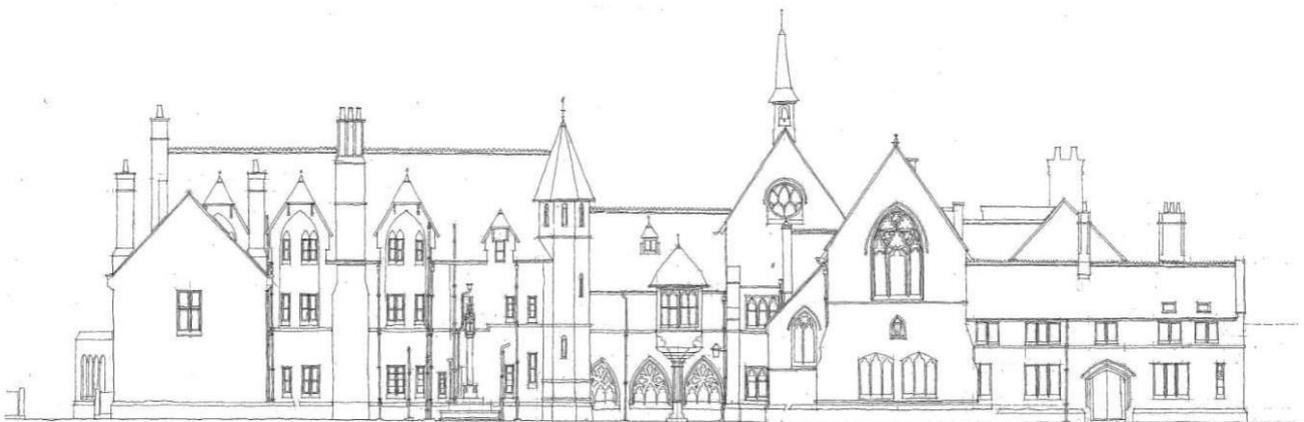

The dry spells have continued and any rain we have had has been ‘the wrong kind of rain’, falling as torrential thunderstorms on dry hard ground. This brings a ripple effect for all of us as higher food and production costs are inevitably passed on to us. Modern farming and increased food imports mean we have a wonderful array of fresh food in

our shops and markets. This can easily shield us from the effect of the weather, but we are just as reliant upon a good harvest as any previous generation.

Harvest is an important celebration; this year our Harvest Festival will be on Sunday 5th October in All Saints at 9.30am. It is the festival where we give thanks to God for the beauty and bounty of creation, our food supply, for farmers and all who work in food production, delivery and distribution.

God bless

The Revd Caroline

GARSINGTON SENIOR CITIZENS

We are a small group of local senior citizens who meet socially on the first and third Tuesdays of the month at 2.00pm at the Sports and Social Club in Garsington for tea/coffee and biscuits, with Bingo, a Raffle and a Bring and Buy sale for your entertainment.

Once a month during the summer and autumn we run coach trips to various, mainly seaside, towns to which non-members are more than welcome for a subsidised price of £25 per person.

By the time you read this we will have completed our trip to Poole and I trust that those who went took full advantage of the summer sun and enjoyed the sea air on this seaside venture. Also, our Southsea and Portsmouth trip will have passed you by if you did not reserve tickets. Two adjacent seaside towns with a choice of two drop off points. Sunny weather again being the order of the day. Our August trip was to Weston Super Mare a new port of call for GSSC that was thoroughly enjoyed by all those who were able to secure a place.

In September there is a trip to Brighton that has a choice of two drop off points at the shops or sea front, with a short walk between them. There is only one pick up point.

We welcome members from Garsington and surrounding villages and are keen to recruit new members. Meetings are held in Garsington Sports and Social club with ample free parking available so do please tell your friends.

You are cordially invited to come along with your friends for a free introductory meeting or two where you can join in the fun and find out more details.

Exploring Children's Eating Habits

Researcher - Tamar Bowley

**PARTICIPANTS
NEEDED!**

*Support this study to help us
understand parents and children's
perceptions*

About The Researcher...

Hello, I'm Tamar. I'm a former Primary School Teacher and currently studying an MSc in Psychology at Brookes. I would like to invite you to take part in a study for my dissertation - hope you can join us!

Who Can Participate?

This online study is aimed at one parent with one or more children aged between 5-11 years old.

What Will I Need To Do?

Parent - can you spare 10-15 minutes to answer a short online questionnaire and if needed, support your child(ren) with answering their questions?

Child(ren) - can you spare 5-10 minutes to tell me what you know about food? 🍌

You can complete the questionnaire at home, and at a time convenient for you! Just need both parent and child(ren) to be available, as their questions will be in the same survey.

To take part, please scan the QR code below:

What's This Study About?

The purpose of this study is to understand children's eating habits. More specifically, it will explore how parents might influence primary school-children's eating habits and satisfaction with physical appearance.

I hope that you can take part in this study and thank you very much for your time.

This study has been approved by:

The Psychology Research Ethics Committee at Oxford Brookes University

Any questions, please email (Tamar): 06043412@brookes.ac.uk
