

Residents Survey “Post it” comments 16.11.2017 against Q5 and Q6 questionnaire outcomes.

“Do you agree that the main planning issues below, should be considered by the Planning Group when developing a Neighbourhood Plan up to 2030? Yes/No”

All planning issues should be considered. If only to develop or protect against certain issues. To not consider is not progressive!

Planning Group should ensure consistency with National planning policy to ensure robustness of the Neighbourhood Plan as a priority.

Bollards on Dixon Drive to be maintained. If they are removed speed bump restrictions to be put in place.

Agree

Agree!

Yes I agree or Dixon Drive will become a Rat Run
