

Newsletter July 2022

Well, what a grand affair the Big Bowls Weekend was with many new members joining on the day and at later dates – Welcome! It was a well organised day with the green being fully utilised, and volunteers helping new bowlers, manning the kitchen (Mike Barbour) and the bar (Jack with others).

Please see below for some information in case you don't have it:-

If you require entry to the kitchen and bar area, please ask either your Team Captain or a Committee member to open. If you are the last person leaving, please ensure everything is put away and locked up, including the entrance/exit gates.

Among improvements to the Club during the last couple of months have been the awnings above the Clubhouse windows facing the green and additional lighting above the clubhouse door. The grounds are looking superb thanks to our 'Green Team'.

The Committee thanks everyone who gives their time to the ongoing running of the Club and those who are assisting with the catering for matches, which is always appreciated and needed!
