RULES OF PLAY

CONDUCT -

All Members will observe, at all times, rules of conduct and play that are displayed.

NOTICES -

All notices placed on the notice board during the season shall be deemed sufficient intimation to all members.

DRESS -

All players must wear smooth rubber soled heel-less footwear and will wear white above and grey below the waist with the exception of Club Matches when all whites will be worn. Men will wear Club ties for friendly matches. Ladies may wear Club colours, as approved by their Committee, for league games and their own Club matches.

COMPLAINTS -

Complaints shall be sent in writing to the Hon. Executive Secretary for the Committee's consideration.

HOURS OF PLAY -

Details of session times and matches will be shown on the Club notice board and published on a fixture card of league and match programmes.

CONTROL OF PLAY -

The Green Steward will ensure that green fees are paid on issue of match card. He will also re-allocate any available rinks.

Non-members will be accepted to take part in sessions upon payment of the required green fee to the Green Steward, but will not be permitted to play in preference to members, when sufficient members are wishing to play. Non-members will only be allowed two visits in any one month during Club time.

During Ladies' sessions, Ladies will have complete priority of green occupation, but should there be insufficient ladies present, they may either include men in their rinks, or any available rinks may be occupied by men. During Men's sessions, a similar arrangement for the ladies will prevail. Mixed games may be arranged.

LEAGUE RULES:

1. Any person playing in the league must be a member of the Farnborough Recreation Centre and the Bowling Club.
2. In all leagues each team shall have at least 6 playing members, who shall be registered on the form provided for that purpose at the start of the season. Additional players may be introduced into a team during the course of a season but shall not have played, or been registered, for any other team in either division in that league.
3. All leagues are of 18 ends or 2 hours duration, with the exception of the National/Div. 1 League which will be a full 21 end game of 3 hours duration.
4. In all League games, the jack shall be delivered not placed. If, however, the jack is delivered out of the rink the opposing skip has the right to place the jack. If during a league game the jack is put out of the confines of the rink the end is considered an end played without penalty.
5. In view of the time restriction in all two hour games skips are not allowed to:-
 - a) Remain at head whilst opposing skip bowls first wood.
 - b) Follow wood down rink when played.
 - c) Inspect head.
6. In a mixed league team at least one playing member must be of the opposite sex.
7. A league match may not be postponed. Rule 9 to apply for cancelled games.
8. When a Fours league game is played with either or both teams one player short, the lead and two of the offending team(s) shall use three woods each. If the missing player arrives, and is ready to play, before the start of the third end, he may start play and the game will then proceed as normal. If the missing player does not join the play before the start of the third end, the offending team(s) shall continue with one player short and shall lose 25% of its score to the nearest whole number, a half being counted as one.
9. Should a league team fail to attend the game will be conceded to the non-offending side and 3 points plus 10 shots awarded. The defaulting team will be responsible for the cost of the rink.
10. If play is stopped because of an emergency outside our control, the result will stand if 5 or more ends have been played.

11. The bell will be rung 5 minutes before the end of the session after which no further end may be commenced.
12. Owing to the great cost of the indoor jacks it is the responsibility of the skip to return the jack and to put the completed score-card in the box provided.
13. National Competitions will take priority, so it may, therefore, be necessary to change league or other games to another rink, and it is hoped all players will co-operate if the occasion should arise.
14. Captains are to notify the Hon. League Secretary of any additions to their playing strength not on the original league registration list.

7. Jack must not be delivered after 5 minutes before completion time.
8. Winners of Men's Competitions qualify for County play off.
9. Games may be played before the scheduled date with approval of Opponent and Competition Secretary. The cost to be the responsibility of the player requesting the change.

10. CONCEDED GAMES - The respective Competition Secretary must be notified immediately concession is known. The cost of an unused rink is the responsibility of the defaulter(s).
11. Competition must be commenced within 10 minutes of starting time otherwise conceded. Should, at this time, any team be without the full complement, they shall forfeit the game. Defaulters to pay the cost.
12. Competition Committee shall consist of respective President, Competition Secretary and one other.

LEAGUE NOTES

Each team has its own scorecard for recording the result of each end played.

The names of players in your team must be entered on the LEFT-HAND side of the scorecard, and the names of the opposing team on the RIGHT-HAND side.

It is advisable to compare scorecards regularly during the game, so that any discrepancies can be corrected at an early stage.

When signing the scorecard at the end of the game, please check that all details are correct - this will assist greatly the League Supervisors in determining the result, thus ensuring accuracy in the compilation of the League Tables.

Signed scorecards must be placed in the rack provided behind the Green Stewards' Table, at the end of each game.

Any queries regarding the accuracy of the published League Tables should be directed, in writing, to the League Secretary.

NEW MEMBERS

We heartily welcome new members and hope that you will enjoy being with us. Please acquaint yourself with the Club Constitution and Rules and be mindful that it is in your own interests to refer regularly to the Noticeboards. If you wish to join a league team please enter your name and telephone number, and state the league(s) you are interested in joining, on the lists provided which are displayed on the Noticeboard alongside rink no. 1.

Team Captains are asked to kindly consider these new Members when seeking to make up any shortages in their team numbers.

Bookings must be made through the appropriate League Supervisor, the charge being £1.50 per person using the rink per session. Competitors wishing to play at other times will have to book their rinks through the Recreation Centre. Ladies' Nationals may also be played on Wednesday afternoons, see the page devoted to that session for further details.

LOCKERS

Lockers may be hired from Des and Ivy Hogsflesh at a cost of £2.50 per annum, plus a 50p deposit for new keys. They will endeavour to attend as many of the opening sessions as possible during the first few weeks of the season, for the purpose of allocating lockers.

LEAGUE ENTRIES FOR 1992/94 SEASON

League entry forms will be available in the Bowls Hall from mid-February. It will be the responsibility of Team Captains to obtain a form and submit it, together with the appropriate fees, to the League Secretary by the closing date. Please note that Entry Forms will not be sent out to individuals.

LEAGUE SUPERVISORS' DUTIES

After the game in the league for which you are the supervisor, please collect the score cards and record the scores on the appropriate form which will be provided to you for each session. The completed forms should then be passed on to the League Secretary, who will enter the results into the Club Computer, which will in turn produce the up-to-date League Tables for display on the Notice Board. The recorded score cards should then be banded together, and filed in the appropriate box file which is stored in the Club cupboard.

At the start of the season, you will also be provided with a duplicate of the registration form submitted by each team captain for your league. This will show the names of all the players registered for that team, and you should use this to check that players play only for the team in which they are registered. You should also note that players who have not played previously in any other team in the league will be considered to be registered for a team when they first play in it. See League Rule 2.

GREEN STEWARDS' DUTIES

Green Stewards to attend ½ hour before start to hand out match cards and collect green fees, leaving them free to play in that session.

Morning and afternoon stewards to pay green fees into the cash desk. The early evening steward, at the end of his/her session, to pay in the green fees for both early and late sessions.

Lock up at the end of the session.

Record any defaulting teams on the sheet.

Arrange for a deputy to carry out these duties when unable to attend.

Inform the Senior Green steward when any difficulty arises or in case of emergency.

Be responsible for the smooth running of the session.

NOTE - it will greatly assist the Green Stewards if team captains ensure that their green fees are paid in at least 5 minutes before the start of the playing session. Thank you.

THE HAMPSHIRE PATRONS ASSOCIATION

Affiliation fees to the County allow its council to run the HIBA and cover normal administration and bowling costs. When its bowlers do well, say in the Liberty Trophy - which costs them £200 per game in the early stages and considerably more if the final stages are reached - the treasury can become overstretched. The Hampshire Patrons Association was created to help raise funds to support the County when extra demands were put on it.

The Patrons play a number of matches each season, against member Clubs and neighbouring Patrons Associations. With Membership of the Hampshire Patrons, you become eligible to play in these games, which are very competitive and of a high (almost County) standard. Membership for one season costs just £1, but the over 60s can have Life Membership for only £5. So for a very modest fee not only will you be assisting your County, but you will also have a very enjoyable game.

At the beginning of the Season I will be putting a Notice on the board.

Please enter your name on it, if you are interested.

Ro De La Haye
Rushmoor Rep. to the Hampshire Patrons

TIMING BELL AND WALL CLOCK

Members are informed that the Bell which regulates the start and finish of all our games operates automatically from a Digital Timer which is housed in one of the cupboards.

The wall clock is a "slave" which is synchronised to a Master Clock within the Centre and it is reasonably accurate, but it operates quite independently of our Bell and it should not be used to question the accuracy of our bell.
