NW Special Olympics / Cheshire Penguins Gala

This trip started with a bit of a drama on the day before we left. Our mini-bus was in the garage to have its M.O.T done and so we had to make a plan B. This was to have a mini bus from Howells school. Ian had to be put back on the insurance but we were still over the passenger limit.

Pamela decided that she'd drive our car up with 2 passengers. I had a photoshoot booked for Sunday but luckily my brother was available to take me. On the

afternoon of Thursday the day before we left Ian enquired about our bus and yay! it was ready, so a mad dash to get to the garage and pick it up. So Pamela went with the team and I had the car for the weekend.

All the swimmers came back with medals and really enjoyed the weekend, especially the meals and disco at the hotel.

Oh! and one other thing my photoshoot went well!

Towelling Robes

Pamela has purchased one size towelling robes which can be put on after a swim, especially at competition. They are navy blue in colour and have our club logo embroidered on them. They are £12.00 each and we have 3 left in stock. If interested please see / contact Pamela.

BOWLS GROUP NEWS

I haven't received anything from Barrie, so if you have had any competition or news, I hope it went well.

Summer Events

A **World Cup "Themed Garden Party"** is planned for **Sunday 19th July** at **Howells School**, which happens to be the day of the final.

Entry fee is £3.00 per person payable on entry and it will start from **2:30pm**.

We will have our usual raffle and I will do a World Cup Quiz.

We hope to hold our **Club Gala** this year. This is planned for the following Sunday after the Garden Party on **Sunday 26th July**. The swimming and presentations will be done on the same night. The gala will start at **5pm**. So, if we can have names to enter this event over the next couple of months but no later than the 5th July. We already have all the cups and trophies.

Our annual **barbecue** as yet has to have a date to be decided but once we know when this will be you will be told in future issues.

This photograph proves that we'll never go back to the pool at the Heath Hospital!

Joke Time

Did you know I used to be a mime artist but it's only now I can talk about it.

I know of a band called Tarpaulin; they cover about everything!

I heard a man got sacked from a clock factory last week, I asked why, he didn't put enough hours in!
