

YOUR COMMUNITY WARDEN

Community Wardens help make stronger, safer communities. Community Wardens will try and help you and your community no matter what the issue. If they don't have the answer they will know someone who will. Their aim is to:

- Improve community resilience
- Support the elderly and vulnerable
- Foster community cohesion and wellbeing
- Assist with navigating community services.

My usual working hours are 8am–4pm, Monday to Friday. Should you be unable to contact me, please leave me a message and I will return your call when I am able to.
