Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor report (ACES0037)

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The Annual Return has not been signed in accordance with the Accounts and Audit Regulations 2015:

- The Annual Return has not been signed or dated by the Clerk (Section 1);
- The Annual Return has not been signed or dated by the RFO (Section 2); and
- The Annual Return does not contain the minute reference or date of the approval by the Council (Sections 1 and 2).

As a result of the above, we cannot determine whether:

- Section 1 was approved prior to Section 2 in accordance with the Accounts and Audit Regulations 2015;
- the Annual Return was approved by 30 June; or
- Section 2 was signed by the Responsible Finance Officer before approval.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

The completed Annual Return and all relevant supporting information were not submitted for review by the date requested.

Section 2, Box 11 has not been completed. If the Council does not act as sole managing trustee for any trust funds then the answer should be 'no'.

In our prior year External Auditor Report, we stated that information received from the Council indicated that there are assets that have not been included in Section 2, Box 9, i.e. notice board and dog bins, but the Box 9 figure has not been adjusted. Please ensure that all assets are included in the Box 9 figure in next year's Annual Return. (Please note that proper practice, as specified in the Practitioners' Guide, requires that assets are recorded at their original cost and no adjustment is required until disposal. Where original cost is not known a proxy such as insurance value may be used but this value should remain constant throughout the period of ownership and not be revised to reflect current values. Commercial concepts such as depreciation are not appropriate for smaller authorities. However, the proper practice to be applied for next year's Annual Return includes a change in respect of this and authorities may in future use any reasonable valuation method. Please ensure that fixed assets are valued in accordance with the applicable Practitioners' Guide in future years. Any change in the valuation method will require a restatement of the prior year figure.)
