CODE OF PRACTICE IN HANDLING COMPLAINTS

This Code of Practice in Handling Complaints was first formally adopted by Shipley Parish Council on 21 May 2015. The policy is normally reviewed annually.

1. Introduction

1.1 Definition of a Complaint

A complaint is an expression of dissatisfaction by one or more members of the public about the Council's action or lack of action or about the standard of a service, whether the action was taken or the service provided by the Council itself or a person or body acting on behalf of the Council.

1.2 From time-to-time members of the public have complaints about the administration or procedures of the Parish council; local Councils as corporate bodies are not subject to the jurisdiction of the Local Government Ombudsman, and there are no provisions for another body to which complaints can be referred. Therefore it is recommended for transparency in local government, and for the benefit of good local administration, that Parish Councils should adopt a standard formal procedure for considering complaints. The Council will do its utmost to settle complaints and satisfy complainants in the interest of the good reputation of the Council.

1.3 The Council will bear in mind the provisions of the Data Protection Act 2018 as well as the Freedom of Information Act 2000 in dealing with complaints.

1.4 In the event of a seemingly serial facetious, vexatious or malicious complaint, the Council may consider taking legal advice.

2. Complainants

2.1 Complainants can be members of the public, councillors, or employees of the Council.

3. Confidentiality

- 3.1 The identity of a complainant will only be made known to those who need to consider a complaint. Care will be taken to maintain confidentiality where circumstances demand, e.g. where matters concern financial or sensitive information or where third parties are concerned.
