**9/22 Parish clerk and councillors' update of matters in hand**

- The annual inspection of trees on parish council land is in the process of being arranged.
- Issues with blocked gullies close to the school entrance are now on OCC's programme and will be fully investigated and remedied in due course. The Parish Council will continue to pressure the County Council via Cllr Freddie Van Mierlo to ensure that the matter is resolved.
- Many residents will have received a letter from Airband advising that full fibre broadband is coming to Great Milton. The parish council is investigating the detail of this offer, which has arrived somewhat unexpectedly, and the extent of potential coverage.

**10/22 COVID-19: update on village response/impacts**

To review and discuss any significant local developments with regard to the current pandemic.

**11/22 20mph zone**

The application for a 20mph in the centre of Great Milton village has been submitted to OCC: further developments are awaited. The residents' survey on the subject indicated that approximately 80% of respondents supported the proposal.

**12/22 Issues with mail deliveries**

To discuss the above. It is understood that there has been a regional reorganisation of rounds based on a drop in the volume of postal traffic, with some rounds doubling in size. The Great Milton and Little Milton rounds appear to have been merged, which with larger volumes of post at Christmas plus issues with Covid has placed increasing pressure on Chris to get deliveries done, with him sometimes even needing to work on Sundays to get the mail delivered.

**13/22 Queen's Platinum Jubilee**

To discuss issues surrounding the above, including the potential for a beacon to be located on higher ground somewhere in the village.

***The next meeting of Great Milton Parish Council will be held on Monday 17<sup>th</sup> February 2022 at the Pavilion, starting at 7.30pm.***
