1	<p>SID on the Aldbourne road</p> <ul style="list-style-type: none"> The data was reviewed and it was agreed a piece would be written for the Dragon. Initial data is encouraging and shows it is having a real impact on the speed of vehicles entering the village. The data will now be downloaded monthly and circulated. 	<p>RI / CH SF</p>
2.	<p>SID on the Marlborough road</p> <ul style="list-style-type: none"> It was agreed that the position suggested by Wiltshire Council would not work due to farm vehicles using the gate into the field, BT vehicles being parked nearby and the light pollution into neighbouring houses. NB to photograph / What3Words the new suggested position and RI to liaise with Wiltshire Council. Parish Clerk to update TWG on the delivery of the SID including a post. TWG to liaise with the farmer over the drilling of the hole for the post, at the same time as the new village gates 	<p>NB / RI EM BT</p>

3.	<p>Village entrance furniture – white gates and signs</p> <ul style="list-style-type: none"> • TWG to set up a working party to install the gates. • TWG to liaise with the farmer over the drilling of the holes. • Parish Clerk to update TWG on the delivery of the ‘thank you for...’ signs. • TWG to liaise with the landowners regarding the hedges on the Marlborough Road to ensure both white gates are visible and the hedges are cut back. • TWG to ensure all associated costs are circulated ahead of the next PC meeting – including postcrete. 	<p>NB BT EM BT NB</p>
4.	<p>Wiltshire Council actions</p> <ul style="list-style-type: none"> • TWG to continue to liaise with Wiltshire Council regarding all the actions in the Transport Proposal document including pedestrian signs, school signs, SLOW road markings, white lines, traffic direction signs. 	<p>RI</p>
5.	<p>Parish Council actions</p> <ul style="list-style-type: none"> • The availability of SLOW stickers for rubbish bins, should be communicated to parishioners on a regular basis. • The new bridge art is going down well among villagers, and there is a call for a similar one on the opposite side. TWG to bring up at the next Parish Council meeting, and to review the lighting. • Parking opposite the T-junction. No further action, but TWG to keep an eye on it. • The need to cut back hedges around T-junctions, signs etc should be communicated to parishioners on a regular basis. 	<p>CH RI - CH</p>
