Comments on the Plan overall: I have two main comments on the plan:- 1. It isn't a plan but a list of policies and strategic aims. It only becomes a plan if we start to put some actions in place to make things happen!! With target dates. Otherwise the document will just drift and things will happen outside of it. 2. We seem to be overruled and ridden over by East Cheshire Council and our Local councillor who isn't representing us appropriately. So anything we put in our plan or aims for the village are being forced on us or driven through by external factors rather than design or plan. The Parish Council and our councillor needs to be more challenging in its representation of Chelford.
