# VILLAGE MEETING

**Thursday 10<sup>th</sup> January 2019**  
**At 7:00 pm**

The next Village Meeting will be held on Thursday 10<sup>th</sup> January '19 at 7:00pm in the Reading Room. As usual the precept, which is the amount the village requires to cover the annual maintenance and running costs will be determined at this meeting.

There will also be a presentation on Recycling in Wiltshire, given to us by Vicki Harris, the Senior Waste Project Officer for Wiltshire. There have been some significant changes since she came to give us a similar talk five years ago, and together with Swindon Council deciding to burn all their recyclable materials and use the energy for heating, it should be an interesting and informative talk. I hope you can come.
