The sun is shining and spring is here. With the county election campaign currently underway I am busier than ever but always happy to answer any questions on this report.

Wicklesham Quarry Application – Highways have submitted plans, and the report has now been finalised; the committee meeting is scheduled for 16th June TBC.

Issues on the Coxwell Road – Including building control, drainage and flooding. will continue to be monitored.

Drainage and Potholes on the Hollow Way – I understand this continues to be a problem; when I next have the chance, I will walk this route and report all damage and drainage issues on this stretch.

Potholes on the B4019 – I am aware that this is still an issue and continue to pursue active repairs and maintenance for this stretch of road.

Traffic Lights onto the A420 – Received a full answer to this at OCC Full Council, April 1st, circulated with this report.

Speed Reduction on the A420 – No further updates, but I believe the change should be made in the coming months.
