

Clun Town Council with Chapel Lawn Annual Parish Meeting 2025 Report on the Clun Walking Group 33 Favourite Walks book

The first year of sales of the revised edition of 33 Favourite Walks has been very good. 621 copies have been supplied to 21 outlets totalling £2,967 in income. Our donations to local groups so far amounts to £1,135. The groups benefitting were

Clun Bowling Club - towards the cost of renovating the toilet facilities

Black Mountain Chapel - towards replacing capping stones

Clun Playgroup – towards the cost of a visit to the Small Breeds Farm and for Christmas gifts

Clun Climate and Environment Group – to buy warning road signs for the litter pickers

Clun Magazine Group - for the cost of a rack to be housed in Bright Flowers for the exchange of magazines

Clun Community Benefit Society – donation for set-up costs

We will continue to offer help to local groups and organisations by regularly publicising, mostly through the Clun Chronicle, that funding is available.
