“Do you agree that the main planning issues below, should be considered by the Planning Group when developing a Neighbourhood Plan up to 2030? Yes/No”

Local employment.
 Shame the water park is not going ahead.
 Speaking to “the youth” the only real job hopes are Farm Shopping or the Egerton.

Concerned about how the GP surgery + school will cope with increased numbers in their location on Elmstead Road.

Parking issues will increase with increased number of people in village – may be a problem in future.

We want a Chelford FC in Chelford. Because we need something to represent the village. Because more people are moving into the village at “Cricketers Green”. We want to compete with these other villages. We want as many people to attend to it. We think we would make Chelford a happy place doing this.

Standards of maintenance of public areas and highways, hedges, grass verges are in decline, more so since Cheshire east was founded.
