ST MARGARET'S BEREAVEMENT COFFEE TIME

Just a reminder our meeting is still available to anyone who has had a sad loss of loved ones. We have great conversation, and laugh, but still remembering those who have passed away. It may feel difficult to walk through the door on your own, but be well assured, you will soon feel "at home". Please contact Jackie 07840 258665 for any queries. We even have a social secretary, who arranges day outings for us.

HELP WANTED WITH CLEANING AT ST MARGARET'S

A plea to anyone who has an hour to spare (approximately weekly) to clean the toilet and kitchen at St Margaret's. Two friends can be together to do it? Or even cleaning the church. We have a rota, but we would always welcome more help. Michelle who we gratefully thank for the years of cleaning the toilet and kitchen, has finally had to retire from the job. We also thank the ladies who clean the brass, the ladies who help to keep the church clean. Not forgetting the very talented ladies who arrange the flowers. Our church needs kind help to keep it going. Please get in touch with Jackie Swift 07840 258665.

FOR THOUGHT

Dear Friends – Listening: it's both a talent and an aspect of character. The ability to listen is a professional necessity for many, but it is really a life necessity for all of us. There has been so much turmoil around us in the past year, so much that puts pressure on each of us, and so much that can disturb our lives and even our relationships.

In the midst of all of this, we need to keep our focus on this one skill and disposition – the determination to keep listening to each other. When this slips, those who are trying to speak can lose heart and difficulties can deepen without remedy.

But we can see a remedy for this, as in so much of life, in the behaviour of Jesus in his own ministry. He too could find it frustrating that his followers could so often fail to listen to what he was actually trying to get them to see, understand and do. At the same time, he himself listened to those who came to him, looking for some release from the things that burdened them. He would sometimes ask, "What do you want me to do for you?" He would leave them free to unload their needs as they saw them and experienced them, rather than prescribing or imposing himself on them.

When we find ourselves in any situation where difficulties and disagreements seem to be getting in the way, perhaps asking that question can help to restore relationships and understanding. "What do

you need? What are you trying to say? What can I do to help? Please tell me – I am listening.”

God’s love be with us, in us, and through us for each other in the coming year.

Ron Partridge, curate and chaplain (retired)
Lower Halstow

TRICIA CARR - IN MEMORY

It is with saddened hearts that we are letting village friends know that Tricia Carr passed away on the evening of the 30 November 2022. Our mother was known to many in the village, having lived in Crouch Hill House for over fifty years. Whilst in the early years she was a successful businesswoman, and probably rarely seen by church parishioners or neighbours, her later years were active in village and church life. And although throughout her adult life she was extremely busy with the company, she remained dedicated to her children - and as they arrived, she thoroughly enjoyed and was always there for her grandchildren.

Our mother had grown-up with a Christian mother. There is no doubt that her introduction to St Margaret's church, later in life, led her to develop a living faith in Christ. Being a member of the church led to her establishing many close friends, including Pauline Stevens. Indeed, Pauline and our mother struck up a wonderful friendship; they had such contagious fun which pivoted on church services, especially the Christmas ones.

All of us as children were called upon to assist our mother in 'saving the local Memorial Hospital from closure' many years ago. For us younger ones, that was the first introduction to being 'an activist' or 'doing good works'! Amongst many of her activist projects, or good community work, our mother served as: Church Warden, a local Independent Councillor, Campaigner against a landfill site, and Organizer of the Christian lady's breakfast (men were allowed!) on Saturdays in the Upchurch Golf club. Indeed, there were many daily charitable and other kind things our mother did for us all.

In short: our mother was deeply loved and loving. She was extremely humorous and fun-loving - she was a wise, stoic, and hugely generous character. We are and will continue to deeply miss her. We give thanks for her life.

The funeral will be held in St Margaret's of Antioch on Friday the 6 January 2023 at 11.00am. There will be a cup of tea and light refreshments at her home, Crouch Hill House, afterwards.

For those of you who are able to travel, there will be a 'Celebration of Tricia's Life' starting promptly at 12.30pm until 4pm which will be held at The Coniston Hotel, 70 London Road, Sittingbourne, Kent, ME10 1NT, where you may enjoy some light refreshments, share a few tales of Tricia's rich life, Hear speeches from some of her family and friends and have the opportunity to write in the book of condolence. Everyone is welcome.

JOAN COTTERILL - 100th BIRTHDAY

FRIENDS OF THE BRICKFIELDS

From Judy Telford:

The Scandinavian Thrushes have arrived, lots of Redwings and Fieldfares feasting on the berries. Hoping to see some Waxwings now the weather is colder but they don't get this far every year. Creek is full of duck and waders, well worth popping along for a look an hour or so before high tide. Google Sheerness tide times if you don't know when the tides are high.

December's work party was cancelled due to the weather, our next planned date is 8 January 2023. Meeting at 10 am, Lapwing Drive entrance gate as usual. Please feel free to come along and chat, see what we do, hear the plans we have, you don't need to do anything if you don't feel able to. As always if you would like to do something in your own time, rather than at a work party, please get in touch.

Happy New Year everyone and thanks to all the people who help make our Brickie the special place it is.

Don't forget to keep up with our news on our Facebook page; Friends of the Lower Halstow Brickfields.

LOWER HALSTOW WALKERS

We have changed our name and are no longer part of the Health Walks programme. We are now Lower Halstow Walkers, and all are welcome. Starting at 10am every Monday, including Bank Holidays, from the end of Lapwing Drive, by the Brick Fields, and usually there will be two walks on offer; a brisk 2 hour walk and a one and a half/two hour walk at a more moderate pace (the slower walk will have opportunities for an earlier detour if the distance is longer than some walkers can manage). Walkers who want to go faster can, but will be asked to wait for the rest of the group at suitable points, as currently happens, this way we can be inclusive of everyone.

The first Monday of every month when we walk to the golf club we will still have two walks, one taking the shortest route possible, arriving first

and therefore being served first. Sturdy walking shoes/boots and a waterproof jacket are recommended.

Please phone Margaret on 843927 for more information.

LOWER HALSTOW PRIMARY SCHOOL

It really feels like we are in Winter now as the weather has turned colder and the nativity rehearsals and preparations are in full swing in the run up to Christmas.

We have fitted a lot in already this term! In November Year 3 were archaeologists for the day and spent their time uncovering artefacts and fossils then identifying each piece they found. Meanwhile Year 6 experienced a day at the Houses of Parliament in London; they had a tour around the Palace of Westminster and considered democracy and the rule of law as they spoke to various representatives from the House.

Our Year 5 and 6 boys' football league team have had a very successful start to the season managing to win or draw all 3 of their matches so far – we are really proud of them.

The PTA held their annual shopping event, which included a range of beautiful craft stalls to help people with present ideas in the run up to Christmas. It was lovely to see people from the village there as well. The PTA also ran a Christmas Fair for the children, this featured a range of

games including the bottle tombola, lucky dip, hoopla and the secret gift room where the children had a chance to purchase gifts for their family.

December started with the annual creation of the Christingles; the children were reminded of the meaning behind the elements of the Christingle, this was also followed up in an assembly on Advent from Reverend Julian. In the same week, the whole school were lucky enough to receive a visit from the Family Trust who performed 'The King', a version of the Christmas Story.

At the end of that week the whole school also took part in a sponsored Santa Run, despite the wet weather, they donned their Santa hats (provided by the PTA), dodged the showers and completed as many laps of the Daily Mile track as they could. We are still counting up the amount raised but everyone enjoyed the event, including singing along to the Christmas songs as they ran.

Our Year 1 and 2 children visited the Gulbenkian Theatre in Canterbury where they watched a performance of 'Under the Frozen Moon'. After the performance they had the opportunity to ask the actors questions which they had prepared back in school. It really was a fantastic experience to be able to watch live theatre. Year R also headed off to the theatre, however they went to the Brook Theatre in Chatham to see 'The Lighthouse Cat's Christmas Adventure'. Again it was an amazing experience for the children.

It is hard to believe that there are only 2 weeks left before we break up for the Christmas holidays. We still have the Year R, 1 and 2 Nativity performance, Christmas dinner and parties and a special visit from that man in red to fit in – along with all our usual learning!

Everyone at Lower Halstow School would like to wish you a Merry Christmas and a safe and prosperous New Year.

December Class feature – Year R Acorn Class

The theme in Acorn Class this term has been 'storytelling'. We have enjoyed traditional tales such as The Little Red Hen, where we became bakers and baked our own bread. We then read The Gingerbread Man and made our own Gingerbread Men from delicious gingerbread playdough. Later on we retold the story of Goldilocks and the Three bears and acted it out using musical instruments.

Here are some comments from Acorn Class about their first two terms in school:

"I liked lunchtimes because I see my Year 6 buddy" - Cody

"I liked learning about the Gingerbread Man. He ran out of the oven and away!" - Leo

"I liked doing Maths because I like counting. I liked looking for shapes too." - Spencer

"I liked going in the Home Corner to play Mums and Dads." - Ella

LOWER HALSTOW SHORT MAT BOWLS

Last three matches:

Away - Queenborough Magpies , last 13-1. Drawing the last and by 2 shots in the 4's

Away - Kemsley, losing 8-6 a good performance for an away game

Home - Kemsley, winning 11-3, losing the triples and drawing one double

We now have 4 matches left to play 3 home and 1 away.

Kemsley Triples - the triples team, at the half way point, are still in second position but the top side are the home team Kemsley Bashers.

We celebrated our Christmas lunch at Upchurch Golf Club with 20 people attending.

We urgently require more players on Wednesdays to keep the evening viable, an increase of 2/4 players would make all the difference.
