### **Declaration of Councillors interests**

#### **Village Hall**

Lock on porch cupboard – clerk to block off the left hand side with plywood, to allow access to the fuse box, and then the PA system and projector can be stored in the left hand side, once the cupboard has been cleared, suggested donate the toys or have a sale one Saturday

PA system – wait until the baffling is installed to see if we need it, if we decide we need it Mr Bevens will look for one up to £160

Screen – a replacement is needed, Mr Bevens to look for one up to £100

Tables – the WI have requested some smaller tables, it is the opinion of the PC that all equipment in the Hall is for the use of whoever rents the Hall. If they purchase their own there is no locked storage available. They also requested a locked cupboard in the kitchen for their mugs etc, as no one has done this before we suggested that they label a cupboard for WI use as others have done previously. Clerk to write and inform them of the PCs decision

Chairs – wait and see what the feedback is to the new chairs, as to whether we keep replacing broken chairs with these

Damages – the cubicle door in the mens has been broken and will need replacing and the handbasin in the ladies has come loose from the wall – clerk to contact recent users of the Hall (Southwell YFC) to see if they know anything

Baffling – needs payment up front. Now everything is agreed
