He stated the Council were looking at increasing their Council Tax for 2016-17 by 2% specifically for Adult Social Care and a further 1.9% for general expenditure. This would see a Band D Council Tax increase of £42 PA.

Councillor Grove referred to several groups and organisations he had supported using his locally determined funds and that if any other groups wished to be considered they should contact him.

District Councillor Cumming referred to similar budgetary restraints as at Worcestershire County Council. She stated that Malvern Hills are looking at a 5% annual increase for several years to come. She stated MHDC are expecting an announcement in early February on the South
