Apologies. There were no apologies.

Chairman explained that the special meeting had been called to discuss revised drawings for the planning application 16/505980/FULL at 6 Morgan Kirby Gardens Sheldwich. The drawings had been received too late for the regular meeting and SBC needed a response prior to the November meeting.

The revised drawings were discussed and compared to the originals. The Vice Chairman advised the members of the public that the Parish Council can only express views on planning matters and not on any ancillary concerns.

After discussion and due diligence the Parish council agreed not to object to the latest plans.

The meeting closed at 7.20 p.m.
