Church Boughton Malherbe

News from St. Nicholas Church

Morning Prayers will be at St. Nicholas at 9.30am on the 1st and 3rd Tuesday in January (and at All Saints, Ulcombe, on the 2nd and 4th Tuesday). Prayer requests can be left at any time in the box in the church porch.

Coffee Morning will be in the Village Hall as usual from 10.30am - 12noon on Wednesday the 14th. Looking forward to catching up with everyone at the start of a New Year.

Craft Club will be meeting on Wednesday 28th from 10am-12noon. Do come with your ideas!

The Carol Service was appreciated by many, with good music and singing in the beautiful setting of the church decorated for Christmas, a magnificent tree and windows decked with flowers, evergreens and candles. The mulled wine and mince pies contributed to the social gathering afterwards. Many thanks to all who helped.

There is a beautiful addition to the **stained glass windows** in the church. Mandy Hitchins has designed and made a delightful panel now in place. When you next visit do make a point of looking at it in the impressive new toilet. Many thanks to Mandy for such a work of art.

Maidstone Christian Care are very grateful for all the donations of food from our community. When delivering yet another large box, two days before Christmas, I could see how busy the team were, packing groceries to be delivered to those in need, and providing much needed support to those using their in-house facilities.

At the start of this New Year we hope and pray for peace at home and worldwide in 2015.

Oh Yes We Are!

Ulcombe's drama group UDAS is bravely taking on a panto for its next project

It will be performed at the end of February half term on Friday 20th and Saturday 21st February. For the first time there will be a matinee performance on the Saturday as well as the evening show. Please put these dates in your diary. Children will be very welcome.

Tickets will go on sale in the middle of January and can be obtained from Mimi (01622 843592), Leila (01622 842330), Catriona (01622 843655) or John (02622 850384).

All the traditional pantomime characters and elements will be there — the principal boy, the dame, the villain, cross-dressing and

audience participation. The actors are working hard to refine the acting skills so familiar to our loyal audiences from past productions as well as polishing their singing and dancing techniques.

We could do with a bit more help so if you have practical skills and some spare time to help with set building or other backstage duties we would love to hear from you.

Some rehearsals are taking place in Grafty Green Village Hall and the final production will take place in Ulcombe Village Hall. So if you are within reach of these two halls do come and join us. We need one or two more people for the chorus — no acting ability is required (for any of it really). Contact Mimi on 01622 843592, soon!

VILLAGE HALL NEWS

www.graftygreenvillagehall.co.uk

It's *"Strictly Tum Dancing"* at the Village Hall !

With Christmas behind us and the New Year revels a fading memory, I know you will now be asking yourselves "What's on next at the Village Hall, to lighten the dark winter months?"

Well, I'm pleased to be able to tell you that, in February, we're bringing the warmth of the Eastern Mediterranean to Grafty Green with another of our **themed 'Food' evenings**. Last year we gave you an Italian Meal + Magic; the year before you enjoyed an unforgettable French evening with Burlesque dancers; this year we're combining wonderful **Greek cuisine** with **exotic belly dancing** for your delectation and delight! Oh yes!

You'll want to get the date in your diaries now. It's easy to remember because it's St.Valentine's day, **Saturday 14th February**. Tickets (£15) are available now from Rob at the village shop or from the Hall Committee Secretary, Carol Hulm, whose telephone number always appears inside the front cover of this magazine, but who can also be contacted via our website.

Please do buy your tickets early, as it helps us enormously to know the numbers we are catering for.

Richard Pilborough

Hall Committee Chairman

PS: Thanks to your support, our Christmas Quiz raised over £600 for Hall funds – but with running costs of around £5,000 a year we do need to keep the money coming. So please make the Village Hall your first choice for Valentine's Day this year. It'll be a hoot!

Grafty Green Yoga Classes for 2015

Wednesday evenings 7 to 8.30 start on January 7th and Thursday mornings 9.30 to 11 on January 8th in Grafty Green Village Hall.

Yoga is an ancient system of physical and mental development that is known to develop suppleness, strength and stamina and to concentrate the mind. Practicing yoga enables all the body's muscles to be worked but avoiding over-training specific muscle groups; posture, balance, agility and grace can all be achieved through yoga.

If you would like to enroll and experience the effects of yoga contact me by calling 850381 or email grafftyyoga@gmail.com.

I have a web site: www.yogawithsusan.co.uk which gives more details about yoga and the classes.

Boughton Malherbe Parish Council

It's a Ten for Len(ham)

GDC School of Dancing celebrated their 13th anniversary in Lenham this month and the 100 strong party was joined by a very special guest for the evening.

Strictly Come Dancing Head Judge Len Goodman found time in his busy schedule, both in the UK and across the Atlantic, to join the party and support one of his former pupils Karen Day, the principal at GDC.

Karen said "It was so kind of Len to come and join us, I know he has an incredibly packed diary. We had some very excited children, and adults alike."

"It was a double celebration, as not only have we now been in Lenham for 13 years, but we are pleased to announce that the school's home, which had been under threat of demolition, will now have a brand new studio, as part of the redevelopment of the current site".

In his usual entertaining style Len spent time chatting to guests, answering a Q&A session, signing autographs, posing for photos and presenting awards for pupils' recent medal examinations.

And to round off the evening Len and Karen cut a specially prepared cake, which was made by one of the pupil's sister Debbie Wells of Bonne Bouche cakes. The cake was complete with mini figures of Len and Karen and topped with a revolving glitter ball.

"I wanted to thank all my pupils for their support over the years, and to look forward to many more to come in our brand new studio. We are very much a 'family' school and teach pre-school children to pensioners how to dance at all levels. Strictly Come Dancing has been tremendous for enhancing the popularity of Ballroom and Latin American dancing, and our beginners classes are particularly popular at this time of year"

Grafty Geeks New Computer (or tablet) Seven Tips

If you have a new computer, laptop or tablet for the New Year, then here are a few tips:

1. Follow the manufacturer's set-up instructions, especially related to battery charging
2. Tips on navigating Windows 8 can be found in back issues of this Magazine:
 - a. Customise your Start Screen – November 2013
 - b. Personalise Windows 8 – September 2013
 - c. What's new in Windows 8.1 – January 2014
 - d. Connecting to Wi-Fi – October 2013
 - e. Connecting iPads with no Wi-Fi – August 2014

If you don't keep copies, see back issues at:

<http://www.boughtonmalherbepc.kentparishes.gov.uk/default.cfm?pid=news&newsid=1312>

3. You don't have to use the manufacturer's Anti-Virus software, especially if they charge you. At the Egerton Telecottage we recommend Microsoft Security Essentials, it's free and very efficient go to:
<http://windows.microsoft.com/en-GB/windows/security-essentials-download>
4. Use Malware and AntiSpyware applications to keep your computer clear of pop-ups and intrusive advertising, we recommend:
SuperAntiSpyware <http://www.superantispyware.com>
MalwareBytes: <https://www.malwarebytes.org>
5. Use **Strong** passwords, recommendations can be found on the internet, but here's a few tips:
 - a. Is at least eight characters long
 - b. Does not contain your user name or real name
 - c. Does not contain a complete word
 - d. Is significantly different from previous passwords
 - e. Contains characters from each of the following four categories:
 - i. Uppercase (A,B,C)
 - ii. Lowercase (a,b,c)
 - iii. Numbers (1, 2, 3)
 - iv. Special characters (eg: ! @ # \$ % ^ & *)

6. When downloading any software from the internet, read the instructions carefully on every step of the download, and make sure you un-tick any additional software that is being offered. Also make sure you tick or un-tick

the boxes that ask about receiving marketing information etc. (beware of the wording in the question, it can be misleading).

7. When setting up your printer, make sure it is connected to your device (this could be a wireless connection) and switched on. In most cases your new device will recognise the printer and install the software automatically.

If you need any help with anything else, please visit the Egerton Telecottage on Saturday morning between 10am and 12noon <http://www.egerton-kent.co.uk/telecottage> Advice is free and there is always someone there to help you. Grafty Gourmet

This is a great but simple recipe, ideal for these cold winter nights. You can use any vegetables you like for this recipe, you do not have to use what is suggested. Great served with crusty bread.

Easy Chicken Casserole

2 tablespoons olive oil	120ml white wine or chicken stock
4 chicken legs or breasts	1 (400g) tin chopped tomatoes or
1 large onion, peeled, halved and sliced	punnet cherry tomatoes or 6 fresh tomatoes, chopped
4 stalks celery, chopped	2 tablespoons tomato puree
2 carrots, peeled and thickly chopped	Pinch salt and freshly ground pepper,
2 cloves garlic, chopped or pressed	to taste

1. Heat oil in a heavy pan over high heat and fry chicken until lightly golden.
2. Add onion, celery, carrots and garlic. Move them around the pan before adding the wine.
3. Turn down the heat, add the tomatoes, tomato puree, salt and pepper. Cover and simmer on a low heat for 50 - 60 minutes (the longer the better). You could also bake it in the oven at 180 degrees C, if you prefer. Taste and season with salt and pepper before serving.

Music Notes - January

January is in all respects an anticlimax from Christmas; the musical scene conforms to this picture. Many music groups are immersed in a new regime of rehearsals following a Christmas concert, and certainly most singers are resting their voices after an excess of carols. Nevertheless I have been able to find some concerts for you to enjoy:

- Tuesday 6th January, 7.30pm at The United Reformed Church, Week St., Maidstone: In the last of the Christmas festivities, Maidstone Choral Union present a 12th Night Concert. More mulled wine & mince pies afterwards! Free entry, with a retiring collection. No tickets required.
- Sunday 18th January, 3.00pm at Sutton Valence School, the Sutton Valence Music Society have arranged a concert by the prize-winning Oskar Duo, performing piano pieces for 4 hands. The programme includes works by Schubert, Rachmaninoff, Poulenc and Ravel. Tickets at the door or contact 01622 863002.
- Saturday 24th January, 7.30pm at Big School, Tonbridge School, the Tonbridge Music Club present a concert by Alina Ibragimova (Violin) and Cedric Tiberghien (Piano), with a programme of Mozart Violin and Piano Sonatas.
- Saturday 31st January, 7.30pm at Mote Hall, Maidstone, Maidstone Symphony Orchestra's concert features as soloist the flautist Harry Winstanley. There is a pre-concert talk at 6.40pm. Tickets 01622 735830.

For January radio and TV it has to be the New Year's Day concert from Vienna, BBC radio 3 at 10.15am (you should be just about recovering from New Year's Eve by that time). Also on TV BBC 4 at a time to be confirmed in the evening.

Christian Message January 2015

On the same Friday in 2014 two families moved away from Grafty Green. Like many other residents I felt sad. They were our friends and had contributed much to village life. We would miss them.

As I thought about this I recalled Bishop Trevor's words at a Deanery lunch in Lenham during the early months of his ministry in Canterbury. I asked him how he felt about leaving his work and his friends in Basingstoke.

His reply has stayed with me. "Here we have no continuing city," he said. His words were a reminder of Hebrews chapter 13, verse 14, "Here we do not have an enduring city, but we are looking for the city that is to come." The writer of these words was referring to Abraham's obedience to God in moving to a country which he did not know. "He was looking for a city without foundations, whose architect and builder is God."

As a familiar song puts it, this world is not our home. We are just travelling through.

Trusting too much in the things of this world almost always leads to disappointment and, sometimes, to bitterness. It is natural and good to appreciate and enjoy the beautiful and good things we have, including our achievements, but one day, and we have no idea when, they must all be left behind.

What the Christian faith encourages us to do is to be thankful for the here and now and enjoy all that we have been given. At the same time it is good to remember that there is more. God provides us with the wonderful opportunity of travelling through this life with his Son, Jesus, towards the city of which he is the architect and builder.

My prayer is that we may, in 2015, hear and heed the words of God, **"This is the way, walk in it."** (*Isaiah chapter 30 verse 21*)
