

Proposal for Chideock Parish Council to have a “Social Media” presence.

1. Assumptions.

- Facebook will be used
- There will be an administrator (who is also a moderator)

2. Pros.

- Facebook is free
- Gives people another way to contact CPC and to report issues, make comments, etc

3. Cons.

- Could be misused
- Will have to be monitored – if there are problems it may have to become a private group

4. Questions.

- Who will be the administrator?
- Is there a need for additional administrators / moderators?
- Will it be a public group, unless it proves necessary for it to be otherwise? (The “Chideock and Seatown notice board” Facebook page is private – people have to ask to join and only members can view and make posts))
- What will be the “rules” for the page?

5. Possible “rules” for the page.

NEW MEMBERS please read ; This is an open group for anyone who lives and / or works in Chideock or Seatown who is interested in what Chideock Parish Council does.

The only rules are

1. Be respectful.
2. No bullying / harassment / swearing etc.
3. No advertisements of any kind

Admin will remove posts which go against the rules.

The Parish Council’s website can be found at www.chideockpc.org.uk

PLEASE REMEMBER THAT THIS GROUP IS FOR MATTERS RELEVANT TO THE PARISH COUNCIL
