David Catanach, as Chairman of the Parish Council during the term 2020-21 presided.

**Welcome from the Chair**

Councillor Catanach reflect that this had been a totally different year to any that had gone before. On behalf of the parish, condolences went out to parishioners who had lost family and friends over the past year due to the COVID pandemic. There was, at last, light at the end of the tunnel if everyone used common sense and followed the guidance.

Thanks were extended to Parish Council members for ensuring continuity of the council and attending meetings via Zoom. It hadn't been an easy time, but business had continued. Thanks were also extended to them for their work in support of the parish. A lot of work went unseen and unrecognised but thanks to their efforts there was a decent, thriving and supportive community. .

The Parish Council will continue to carry out its work to the best of its capabilities as volunteers and take the parishes forward.

Thanks were also extended to the Village Hall Committee for all their hard work over the year.

Closing remarks – all made in the welcome.
