

Village or Town You Decide?

225 new houses (first phase)

On agricultural land west of Town Road B2000

Medway Council's local plan indicates possibility for building 600 houses

It's not too late to stop this happening to our lovely rural village

Deadline for objections has been extended to 14th October 2016

Here are some concerns you may wish to include in your reasons for objection:-

- ◆ **Dramatic increase in traffic congestion, noise & air pollution**
- ◆ **Dangers for pedestrians, especially children, as there is no footway or safe crossing on B2000**
- ◆ **More flooding on B2000 & surrounding areas - fields concreted over means less drainage**
- ◆ **Longer waiting times to see your GP**
- ◆ **Local schools oversubscribed already**
- ◆ **Loss of irreplaceable high grade agricultural land**
- ◆ **Loss of greenspaces, trees, wild life & peaceful rural surroundings**
- ◆ **Pressure on emergency services - Police, Fire & Ambulance**
- ◆ **More sustainable sites are available !**

**For more advice on who to contact see reverse of this leaflet
or visit our website at www.savecliffewoods.org.uk**

**A public meeting is being held for local
residents to have their say on Friday 7th October**

The meeting will start punctually at 6pm

Attending the meeting will be Parish Councillors

Kelly Tolhurst MP for Rochester & Strood

Local Councillor John Williams for Strood Rural

Cliffe & Cliffe Woods Parish Council

Contacts for raising concerns and objections - each person in your house over 18 years of age should write an individual letter of objection to the planning application, in their own words. Don't be tempted to copy & paste the same letter from each person as they will be ignored. Please ensure that you include the bullet points shown below as well as your own ideas.

**It is essential that you quote OBJECTION to Medway Planning Case Reference MC/16/3669
Land West Of Town Road,
Cliffe Woods, Rochester at the start of your letter.**

For your convenience, we have provided below a list of names and addresses to write to. Every letter counts! The developers have been stopped by villagers at other locations previously such as Hoo, where 400 houses have been blocked. So it can be done with overwhelming support from the people of Cliffe & Cliffe Woods.

Medway Planning (Most Important)

You can give your views by writing to the case officer at

The Planning Service, Medway Council,
Gun Wharf, Dock Road, Chatham,
Kent ME4 4TR or Email:
planning.representations@medway.gov.uk

Make sure you give the case
reference number.
