# About us

We are registered for children aged 18 months and upwards until they start full time education.

We offer a secure and happy environment in which your child can gain the skills necessary to prepare them for school.

All of our staff are professionally trained in childcare and education, and with most of our staff being parents themselves this offers your child the best care and attention.

Members of staff hold certificates in First Aid, Healthy and Safety, Food Hygiene and hold NVQ's in Childcare. They are checked by the Barring Service to an enhanced level.

Our playgroup offers:

A purpose built self contained room with child sized facilities.

A full enclosed outdoor play area and a dedicated messy play area.

Early Years Education Funding starting the term after the child's third birthday. (2 year old funding is also available for qualifying children, please ask about eligibility.)
