

NETHER WALLOP PARISH COUNCIL

To consider the cost of new chairs with arms for the Village Hall.

A resident has requested that some chairs with arms are bought for the village hall.

Some older residents find getting up from the current chairs difficult, and this discourages them from attending events.

An estimate for 10 chairs matching the current set has been obtained.

Councillors to decide if 10 chairs should be purchased at a cost of £1,224.70 + VAT.
