Agenda item none**

**01/03 Paul Gavaratt spoke for 2 minutes, clerk
advice had another minute but got all what he needed to
say in the 2 minutes.**

Councillors voted on

**1 do you want the hole where it is - all
councillors present voted for it.**

**2 Do you like the design of the monument and
what is going on it.**

All councillors voted for it

3 Do you want it on Parish Council Land
All councillors voted for it.

Advised the monument can go on parish council land but all costs go to Paul to pay for data protection and the insurance costs and any liability for damage and up keep of the monument and if any one gets hurt while playing cricket and an Indemnity Policy if needed and we have a copy of the insurance policy every year and a fund set up by Paul to cover all of the costs of the monument for now and in the future which was agreed at the meeting.

Paul asked if the monument would go in the next copy of the village magazine when it comes out again. Advised it will.

Given seven days if the clerk receives any names to come off the monument to get in touch with Paul and OCS the leaseholders.

Also an issue regarding the person who lives opposite the recreation ground was brought up but was advised the monument is not that high for them to see from their property.

Paul and OCS were given copies of the conditions for the monument to go on Parish council land and the data protection. And the insurance must be in place for it at the cost of Paul
