Date: 15th March 2017

Dear Mr Ashton

Fiskerton-cum-Morton Neighbourhood Plan - Designation of Neighbourhood Area

Consultation on the designation of your Neighbourhood Area closed on 10th March 2017 and there were no responses. The Councils Economic Development Committee have now given Officers delegated authority to deal with applications for Neighbourhood Areas and therefore in the absence of any reasons to the contrary I can confirm that your parish is designated as a Neighbourhood area for the purposes of Neighbourhood Planning. This means that you can formally begin the plan making process.

I have previously directed your Chair to the Locality website as a good starting point for guidance. If your Council has already progressed beyond this and/or requires any further assistance please do not hesitate to get in touch

Yours Sincerely

Richard Exton
