9th February 2022.

Dear Sarah,

The Nether Wallop Social Club Charity, have noted the Parish Council's intention to revamp the playing fields and playground area at Aylwards Way and would like to award a grant to assist this project development.

The Charity would therefore like to "offer" the Council funds to install three separate pieces of equipment on conditions which are specified below and are at the request of our private donor:

Offered Items:

- A. Wooden Shelter
- B. Selection of Adult Exercise Equipment
- C. Zipwire.

Conditions:

- 1. Installation to be carried out such that the equipment is operational for the public by the Jubilee Weekend, 4th June 2022.
- 2. Purchase Orders for all 3 items to be made by the Council by 28th Feb 2022.
- 3. Positioning the equipment to be agreed with the charity by 28th Feb 2022.
- 4. Funds can only be used for the above 3 items.
- 5. The Parish Council to procure the equipment initially, on presenting a copy of the invoices the Charity will issue the monies to the value of the invoices up to and not exceeding a total of Fifty Thousand Pounds. The Charity require the invoices for our own accounts for Compliance with the Charities Commission traceability of expenditure.
- 6. The Charity would formalise this proposal by issuing a Letter of Intent or a Letter of Comfort signed by the Chairman and 4 Trustees of the Charity.
- 7. The Charity have assumed that there would be no planning issues, but if permission is required, it is to be the responsibility of the Parish council.
- 8. Purchase, operation, maintenance and insurance of the items (including during installation) to be the responsibility of the Parish Council.
- 9. All conditions to be accepted by 28th Feb 2022, or the offer is withdrawn.

We hope that the Council can be asked to consider the offer at the next council meeting on 15th February 2022.
