The Village Crime fighter's app is proving to be great asset. The defibrillator training held in the Village Hall was very well attended. The Chairman thanked Claire for the Social Media posts that she makes, to keep the Parish informed of items of interest. The Chairman also thanked Stuart for setting up the Parish Councils "Fixmystreet" login.

2) PCSP Beth Hinton Ludlow Safer Neighbourhood Team.

Apologies

3) Nicolas Hall – Smartwater

Apologies

4) Unitary Councillors Report – Richard Huffer

There is a meeting on Tuesday, with the Group leaders of Shropshire Council to discuss the Boundary Review, RH will take any views from the Parish Council to the meeting. There have been several road closers in the parish. Most frustration is when road closures signs are up, and roads not closed.

There is a lot of potholes but when there not done properly, they don't last, when they don't cut around the holes and make a good job. Fixmystreet has improved but you have to report issues repeatedly. Planning – RH thinks that SC should listen to PC's more and their views. More flexibility when making the planning decisions, should be given. Local need/agricultural tie S106 agreements need to be reviewed, if personal circumstances change and people need to relocate there should be the flexibility to do so.

5) Shropshire Boundaries Division Review

It is proposed that Nash and Boraston Parishes are moved into the Cleobury Ward from the Clee Ward.

SL proposes to object to this change, and to stay in the current ward of Clee. PS seconded. All agreed.

SL is going to contact Boraston Parish Meeting to gauge their views. A poll to be drawn up and posted on Facebook to find out the feelings of the parish. SL to draft a response to circulate. Call an extraordinary meeting to discuss if needed.

6) Parish Hall Report

There have been 3 resignations and 4 new members since the last AGM. The new Chair is Rupert Hunt. Over the last 12 months the committee have reviewed: 1. The usage of the hall, 2. The state of the structure. 3. Options for the Future – Rebuild or Renovation. 4. The interest of the local community.

Architects will be engaged to draw up proposal for: 1. Refurbishment 2. Build Additional Storage

3. To add glazed wall and decking.
