### **COLLINGHAM BUSINESS CLUB UPDATE**

The April meeting of Collingham Business Club gave way on this occasion to an open public meeting, at which local resident Marc Woods was the guest speaker..

Held in the splendid refurbished lounge of Collingham Football Club, the meeting took place on the evening of Wednesday, 12<sup>th</sup> April and attracted a mixed audience, of all ages, of more than 60 attendees. During his highly entertaining and amusing presentation, Marc took us through his life-journey from contracting cancer at the age of 17, to becoming a multi gold medal winning para-Olympics swimmer, and multi medal-winner at European and World Championships.

Always a useful swimmer, Marc explained the determination, drive and effort needed to achieve these many successes, coupled with the goal-achievement lessons learned on the way which are equally applicable to everyday life. Particular highlights of the evening were video clips of the Atlanta and Sidney Olympic games, which Marc used to pinpoint the marginal differences between gold and silver medal results.

The success of the evening can be gauged by the many attendees and their children who took the opportunity to thank Marc personally for his presentation, which was very much appreciated by all those fortunate enough to attend.

Business Club meetings are held between 6:00pm and 7:00pm on the second Wednesday of every month (excluding August & December), with the next meeting taking place on 10<sup>th</sup> May. All meetings are free to attend, and are open to anyone from the Collingham area with an interest in business matters.
