We're a hardy lot in Kingsclere: in the past year two of our Tower deliverers have retired, both ladies in their mid nineties. And another delivery lady will be 90 next March!

We do appreciate the support of all the volunteers involved in getting the Tower to your doors each month; that includes our 3 layout gents, our yellow pages advertising team, the printing team, the assembly team and the army of deliverers.

We also appreciate the support of everyone in the community who uses the Tower, whether you are one of the many organisations who submit information about local events, an advertiser, or a resident who peruses it to find out what's going on each month.

We have seen an increase in submissions, which is great news, but causes the editorial and layout teams challenges in making sure all the information we receive is included in the limited space available. Please help us by keeping your notices brief! We try not to disappoint.

We wish you all a Merry Christmas and a happy and healthy New Year.

## Kingsclere Parish Paths Working Group

On Sunday Oct. 25<sup>th</sup> we had two separate groups. One worked on Shepherd Steps, Hollowshot Lane and the Hannington bridleway, and the other group at Frobury Farm. It was a beautiful day, much work was achieved, there were many people out walking and we actually received quite a few thanks!

No meeting in December, so the next work day will be in 2016, Sunday Feb. 7<sup>th</sup> (not Jan. 31<sup>st</sup> as previously advertised).

For further information please call the Parish clerk (Tel. 298634) or myself (298376)

## Kingsclere Village Bunnies Baby and Toddler Group

Christmas preparation is well underway! Our Bunnies' Christmas Disco Party will take place at the Village Club from 10am - 12 noon on Tues 22 December. You **must** sign up for this in advance – there will be a sheet out in every session between now and then. We ask that all parents/carers also sign up to bring a plate of food to share. We are planning a cocktail-making class for our parents/carers Christmas social – details tbc, so keep an eye on the Facebook page.

We are a friendly group of parents, carers and mums-to-be who warmly welcome you to join us for a play and a natter over a cup of tea.

You do not need to have had your baby to join us – come along to as many sessions as you want to before his or her arrival. Once your baby is here, we have a protected baby area with bouncy chairs, rugs and baby toys for them to use, as well as toys and activities, both indoor and outdoor, for older babies and toddlers.

Where: The Village Club, George St  
When: every Tuesday, 9am-11am

Cost: first visit free. After that, £1 for bumps and unweaned babies. £2 for first child (including snack donated by Swan St Stores) and 50p for additional children.

We would love to expand our group with new friends and we promise to make you feel welcome and offer any support you may need.

Do search “Kingsclere Village Bunnies” to find us on Facebook – we also have a Preloved page on which you can buy, sell and give away items locally.

His ship Endurance crushed by heavy sea ice, Ernest Shackleton led his crew to deserted Elephant Island in the ship's boats. He then sailed in an open boat, with a small crew, in stormy Antarctic Seas, the 750 miles to South Georgia. Climbing over the mountains they reached the settlement of Grytviken to raise help. **Neil Stewart** follows this saga of the seas with his own award winning photographs and tells us about one of our great polar explorers.

## Royal British Legion

**THANKYOU. THANKYOU. THANKYOU.**

There are so many people that we would like to thank for their contributions and assistance with the Poppy Appeal this year.

Remembrance Sunday was especially poignant with having our friends from Cormicy in the Parade, also the Parachute Regiment and the Rainbows marching with us for the first time. The Rainbows were a credit to their Leaders and to the Guide Movement as a whole.

We as a Branch appreciate very much the support we get for this Annual Parade which is held in Remembrance of those who lost their lives in various Wars in order that we may live in Peace.

Our Branch is continuing to grow in numbers and we hope to welcome more new Members in the future. In 2016 we hope to have various Social Events to which the public will be invited as well as our monthly meetings.

At our recent AGM it was voted on and agreed that from January we shall meet at the Crown with permission from Les and Karen to whom we are especially grateful. Our meeting night has now changed to the first Tuesday of every month at 7.30pm.

If you would be interested in joining us please come along to any meeting, you will be made most welcome.

A final total of monies raised in the Poppy Appeal will be announced in the first Tower of 2016.

## Royal British Legion Remembrance Day Parade

Once again there was a great turnout in the parade and we welcomed a group from Cormicy – so glad they were able to join us. Sincere thanks to Rev Neil Britton for a meaningful service which received many good, favourable compliments.

It was very pleasing to welcome the ‘Rainbows’ joining the parade for the first time – bless them! It’s always delightful to see so many members of the public gathered at the Memorial and present in Church – thank you.

It was the last parade for our ‘standard bearer’ Maggie Ward, who is retiring from the position. This duty will be carried out by Trevor Marriner, and Maggie wishes him all the best.

We must always remember the fallen who gave their lives that we may live in peace.

**Kenneth Cox, Parade Marshall.**

## Kingsclere & Headley Woodlands W.I.

We're pleased to report that we're finally getting to meet more and more local women who have taken up the option to visit us - in fact, we had a number of visitors at our monthly meeting yesterday. We fully expect to count them in as new members at the start of the new year!

Our next W.I. meeting will be our Christmas Meeting, scheduled for earlier in the month than usual because the build-up to Christmas and New Year is such a hectic time. Sadly, for financial reasons this will be a members'-only event because 'outside' catering, particularly over the Festive Season, demands careful planning, accurate ordering and pre-payment all-round.

Our doors are open to visitors again on Wednesday 13 January 2016. This will be a social gathering, cream tea & bring-and-buy with a quiz or other parlour game also laid on. Visitors will be especially welcome @ just £2.00 per person.

Now how about marking that date into your new diary?

See you on the 13 January then!

**Nova Saunderson (01635-299570)**

## Kingsclere Twinning Association

Our official visit to Cormicy took place at the end of October. The programme included a visit to Reims and the cathedral, a delicious evening meal based on the cuisine of the Alsace region of France, a buffet lunch on the Sunday, a visit to a champagne museum and also to a local producer. We experienced the usual generous and warm hospitality from our hosts and everyone very much enjoyed the weekend. Some members took the opportunity to spend a few extra days visiting other parts of France.

The Mayor of Cormicy, with other representatives of the veterans of Cormicy, came to Kingsclere in November to take part in the Remembrance Sunday commemorations. They joined the parade, laid 2 beautiful wreaths at the war memorial made of fresh red, white and blue flowers, as is the tradition in France, and the Mayor read a poem during the Remembrance Sunday Service. Much of Cormicy was completely destroyed in the First World War, with many lives being lost, and as it's twin, we came together to remember our fallen – a very moving experience.

It is not too late to join the Association or renew your membership - the cost is £5.00 per household per year and the benefits include reduced ticket prices to social events, free informal French conversation evenings with qualified French teachers (different levels catered for) and exchange visits to our twin town of Cormicy. If you would like to join the Association, please email [kingscleretwinning@yahoo.co.uk](mailto:kingscleretwinning@yahoo.co.uk).

The Andover District of the Winchester and Portsmouth Guild of Bell Ringers would like to welcome everyone to join them for a short Epiphany carol service on Saturday 9th January 2016 at 4.15pm at St Mary's Church.

# Reflections

## GETTING READY FOR THE BIRTHDAY!

The season of Advent is a special time for Christians. For four Sundays we prepare for the birthday of Jesus, who is God coming amongst us as a human being.

Why did God choose to reveal himself in Jesus? Essentially to save us from sin – from our pride, selfishness and desire to dominate others. To offer us everlasting life in the Resurrection.

Advent is a joyous time. We rejoice at the coming of God with us (Emmanuel), but we know He is to die for us. So it is also semi-penitential; a time to turn away from sin and to think of others in need. There is a need for us to attend the Birthday Party dressed well spiritually to appreciate it properly.

The consumer society we have developed looks more towards a Winter Festival of bright lights and large quantities of drink and food. The Christian is called to break away from this worldly distraction, and to look beyond it, to the needs of others. Then we become ready to greet our God in prayer, and to eat, drink and make merry until Epiphany – and with no rush!

Happy Advent! Followed by a joyful Christmas and happy New Year!

**Father Patrick Tansey**

### **Vacancy update 3**

#### **Where are we now?**

This is the third update on the Vacancy – it's an amazingly long process, isn't it? So, where are we now?

By the time you read this, the formal Church of England legislative process will have moved slowly on. The Profile (information about the benefice) and the Role Description and advert will have been prepared – drafted by us but formally approved by the Diocese. This will all be available on the church web-site once the recruitment process goes live. We then move into advertising, short-listing and interviewing, hopefully with a successful outcome. However, it will still be many months before someone new arrives (and that's assuming all goes well first time round).

In the meantime, the work goes on! Services and all church offices (baptisms, weddings, funerals) are being taken by a range of visiting priests, who are helping us during this period of Vacancy. Throughout the benefice, prayer is offered on a daily basis and pastoral visiting continues regularly for all those in need. The great Christian Festival of Christmas to celebrate the amazing birth of Christ is coming up fast – come and join us for a wide range of different services and activities at all three churches: St Mary's, Kingsclere; St Paul's, Ashford Hill; and St Peter's, Headley. We'd love to see you all.

We will continue to keep you up-to-date with what is going on. If you have any queries in the meantime please do get in touch.

## **Friends of St Mary's Kingsclere Ltd**

Our next event will be a circular **Village Walk**, on the morning of **Sunday 27<sup>th</sup> December, ending with refreshments in the Kingsmill Room**. All are most welcome to join us, along with children, dogs, lingering Christmas visitors, etc., to recover from the preceding festivities! Full details are in the flyer with this issue of the Tower, and we hope that this may become an annual Kingsclere event.

Following this, we have another **Quiz Night in the Fieldgate Centre on Friday 22<sup>nd</sup> January**. Make up a table of eight, or join in with others on the night. **Tickets at £12 per head will include a Ploughman's Supper and a glass of wine**, and there will be a bar, and a raffle. Doors open 6.45 p.m., Quiz starts at 7.30 p.m. prompt. Tickets and entry forms will be available from early January from The Village Butcher, or by 'phoning 01635 298434. These evenings are always great fun, and we look forward to a full house!

**Peter Turner, Chairman**

## St. Mary's Guild

We welcomed Margaret Braddock as speaker at our October Meeting. Margaret entertained us with the tale of William Walker, the Diver of Winchester Cathedral fame.

Our Coffee morning in November raised the grand sum of £300.00 for St. Michael's Hospice. Thank you to everyone who worked so hard to make this possible and to all those who came and supported us on a very wet Saturday morning.

Our December Meeting will be a Christmas Meal at Sasso's (Members only). Our AGM will be held on Wednesday, 27th January – 2.15 pm in the Kingsmill Room.

Unfortunately, this may be our final meeting, as our Chairman and Treasurer wish to step down and we have been unable to find anyone willing to take on these roles. This is a real shame, as St. Mary's Guild has been providing fellowship for some 40 years – but I suppose it was inevitable that this would go the way of other clubs. I would like to personally thank all our members, committee members and everyone in Kingsclere for supporting our various events.

**Pam Kitch**

## Nature Notes

A fortnight in Cuba gave us a limited opportunity to observe some of the wildlife at wherever we were staying. Turkey vultures were everywhere, flocks of these dark brown birds circling effortlessly above city, plain or jungle and so called because their faces are bare and red. Grackles, blackbird like, noisy and opportunistic and mocking birds, roughly same size but slimmer with grey backs and pale undersides and very vocal were very numerous. We saw humming birds on tropical flowers, ringed plovers and cormorants at the beach however the stars were the Brown pelicans. There was a pair which patrolled their beat just off shore and would regularly take off, gain height then thump into the waves to scoop up fish. Close though they were our attempts to capture a good shot in flight resulted in views of sky, sea and a head or tail. The commonest animals were Curly tailed lizards, approx 7" long and yes: their name describes them perfectly. We recognise our now entrenched, non native and invasive plants and the impact they make on the environment. In Cuba the dominant invasive plant is sickle bush, an extremely thorny ( hence Sickle ) scrubby evergreen plant six to eight foot high rampaging everywhere and virtually out of control- even the goats won't eat it. Vast areas of it grow and impoverish the land.

The answer to the woodpigeon behaviour (October Tower) appeared in the Autumn issue of the R.S.P.B. magazine. It seems that woodies need to get water to hard to reach areas for good feather condition.

On a local walk in late October the familiar sight and sound of fieldfares arriving here for the winter made us aware of the passing year.

## Kingsclere Neighbourhood Plan

Thanks to everyone who attended the village meeting on 16<sup>th</sup> October. It was a really good attendance – according to the Newbury Weekly News over 400 residents - and a good exchange of views were aired. Since the meeting we have received many comments from residents which we hope to post on the web for others to see. Please keep your views coming. The group are now setting up meetings with the land agents/developers of the four sites we are now considering to firm up on their proposals and discuss our concerns.

By the time you read this the presentations from the meeting along with the minutes will be on the NP web site. The Scoping Report for the Strategic Environmental Assessment should also be on line for all to view.

## Kingsclere Social Dog Walking Group

I'm delighted to announce a Facebook group called Kingsclere Social Dog Walking Group, which you can find and join using the standard search function.

Designed to help dog owners in the village and surrounding areas safely participate in and organise social dog walking events and bring together like minded individuals. ### Christmas Food Boxes for Basingstoke 2015

Each year **Basingstoke Voluntary Action** appeals to individuals, businesses and organisations to join us in providing Christmas Food Boxes for those less fortunate than ourselves, who benefit enormously from a little extra at Christmas time. The staggering response last year enabled us to supply refuges, families and homeless centres in Basingstoke and Deane with a total of 302 much appreciated Food Boxes filled with Christmas goodies.

It's that time again, and we would like to invite you to join this worthwhile project. We will gratefully accept any non-perishable food or monetary donations up until Monday 14th December, between 9am - 4.00pm, at Basingstoke Voluntary Action, The Orchard, White Hart Lane, Basingstoke RG21 4AF, or call us to arrange a collection.

*Please note we cannot accept any donations of alcohol or food containing alcohol.*

## Living Paintings

Living Paintings are delighted to announce that David Walliams has given his support to this local charity that provides a free library service of tactile and audio books to blind and partially sighted people of all ages.

Living Paintings has published an accessible, Touch to See, version of David's book "The Bear Who Went Boo!" on 5 November, the same day as HarperCollins Children's Books released it in hardback.

David Walliams said, "I am so pleased that my story will be enjoyed by blind children. It will be available on the same day as the commercial release. Living Paintings do a fantastic job of making books accessible to children without sight, and the finished touch and feel version of 'The Bear Who Went Boo!' is a thing of beauty."

For information about Living Paintings and the service they provide please contact Camilla Oldland on 01635 299771, [CamillaO@livingpaintings.org](mailto:CamillaO@livingpaintings.org), or visit the website [www.livingpaintings.org](http://www.livingpaintings.org).

## October Crime Summary for the parishes of Kingsclere, Ashford Hill, Headley and Hannington

Total Crimes reported - 12 : I am happy to see that the crimes reported this month are nearly half of last month

Incidents of note: as most residents in the village are aware, there was a break to the Headley Village shop this month. A safe with £600 worth of cash inside, keys to the shop and post office were stolen. This incident is currently still under investigation and we do ask that anyone with any information does come forward by contacting 101.

There have recently been a few issues with the youths in the area hanging around at the Fieldgate Centre engaging in anti social behaviour and potential drug use; we do ask that as parents you are aware of where your children are after dark. If anyone sees anyone acting anti- socially in the area then we do ask that this is reported through 101. A few youths have been spoken to this month by the local beat officer and have been banned from hanging around outside the Fieldgate Centre and in the bar. Patrols will continue to be carried out in the area, and any misconduct will be dealt will accordingly.

**If you have any information regarding any of the incidents detailed in this update please contact us either by email or calling 101**

## Village Club Market

May I thank all the stall holders and you, the customers, for your support in 2015. We try to get a mixture of stalls, and new ones are planned for 2016 and are being costed.

We would like to see more younger people: are there things you would like to see at the market? Remember it is two hours once a month, so cost plays a big part. If you have any ideas give me a ring.

So may I, on behalf of all the stall holders, wish you a happy Christmas and New Year.
