Do you support, object or wish to make comments on this section of the Local Plan?	Support with changes
Comment	We support this policy in principle but note that the Viewshed Characterisation Study does not appear to be in the public domain so the specific impact on Warnford cannot be assessed. Please provide access to this document.
What improvements or changes do you suggest?	Please put the Viewshed Characterisation Study in the public domain so that its implications for specific areas can be considered.
