## 11. Ongoing Matters

### a) Network Rail

The Chairman gave a brief update of where we were with the proposed closure of the railway line. After much discussion with various bodies and officers a compromise has been reached. Instead of a closure from Friday 14<sup>th</sup> August to Monday 24<sup>th</sup> August it will now be closed from Wednesday 19<sup>th</sup> August at 22.00 hours to Monday 24<sup>th</sup> August at 05.00 hours. The Council felt that this was a sensible compromise given the fact that it has been acknowledged that the work needs to take place.

### b) Limpenhoe Village Green

The Clerk stated that a draft plan of the site has been given to her by Matt Davies of the Norwich Fringe Project but it raised some questions. She is awaiting quotes from Matt for the works suggested and will give him a deadline of 1<sup>st</sup> September so that the Parish Council can consider the project as a whole at the September meeting.

**Clerk**

## 12. New Matters, if any

### a) The Poors Land Trust

The Chairman and Clerk gave a brief report in relation to the above Trust. It would seem that the administration of the Trust has diminished over the years due to passing of officers and such like. It was **agreed** that the Clerk investigates the history of this and brings a detailed report back to the Parish Council for consideration.
