

# **NOTICE OF MANAGEMENT WORKS**

**Conservation woodland and fenland management is commencing this winter 2021 using traditional methods such as coppicing to restore and renew the habitats within Line Bank Site of Special Scientific Interest.**

**Contractors will be working adjacent to the public bridleway so please take extra care.**

**Environment Agency contractors will also be working adjacent to the flood bank.**

**For further information please see the  
Town Estate charity webpage on  
[www.missonparishcouncil.org.uk](http://www.missonparishcouncil.org.uk)**
