OAKLEY AND DEANE PARISH COUNCIL

White Ribbon Campaign – Our Commitment

Oakley & Deane Parish Council is proud to support the White Ribbon Campaign, a global movement working to end violence against women and girls by engaging men and boys in positive change.

We believe that everyone in our community has the right to feel safe, respected, and supported.

By taking part in the White Ribbon Campaign, we commit to:

- Promoting the White Ribbon Promise
- Raising awareness through our communications and events
- Encouraging respectful relationships and positive role modelling
- Working with local partners to support community safety
- Ensuring our policies and practices reflect our commitment to preventing violence

We encourage all residents — especially men and boys — to make the White Ribbon Promise:

"I promise to never use, excuse, or remain silent about violence against women and girls."

This commitment was first adopted by Oakley & Deane Parish Council on .....12th March 2026.....

Date of next review: 11th March 2027 or when legislation changes whichever is earlier.
