NP82	<p>FEEDBACK EVENT</p> <p>The Feedback Event on 27th November had been well attended with approx. 100 people attending to give their comments on the proposed objectives and the sites that had been put forward to be considered for inclusion in the neighbourhood plan.</p> <p>The comments had been collated and were reviewed. Most were in support of the objectives and emphasised their concerns, particularly in regard to housing, transport and infrastructure.</p> <p>There had been numerous objections to the sites put forward by landowners, concerns included the loss of green space between existing houses and the proposed Hampden Fields objectives and infill of the green space between the village and Wendover Road.</p>
