

Devon County Indoor Bowls Association

PROPOSAL 21-22 A: O60s-League: Groups /Divisional Restructure

Proposer: Sidmouth

Seconder: Honiton

To be voted on at the April-25th DCIBA Executive Meeting

It is proposed that:-

the DCIBA Over 60s league reverts to the same structure as that used for the DCIBA Interclub League, i.e. with two divisions (1 and 2) based on the strength of the teams with promotion and relegation at the end of the season.

This replaces the existing set up in which all teams are randomly assigned to two divisions with play-offs deciding the overall winners. The revised structure should mean that all matches are played with teams of a broadly similar standard and therefore help avoid many of the major mismatches that currently can arise.
