

NETHER WALLOP PARISH COUNCIL

To consider and if appropriate approve the cost for a children's entertainer at the playing fields for the Sunday 5th June 2022. (Jubilee weekend)

The following suggestion has been received:

1. The Parish Council open the playing fields for a "Village Picnic" on the Sunday of the Jubilee weekend.
2. Some kind of entertainment would help encourage families and children to the event and should be free of charge and available to all parishioners.

The venue is suggested as there are toilets, parking and electricity available for some music to be played.

At this late stage many entertainers are already booked, however, the Clerk has been able to secure a provisional booking with Juggling Jake. (<http://www.jugglingjake.co.uk/>)

This would be a two-hour Circus Skill workshop with 2 entertainers present for a cost of £250.

Councillors to decide if this can be approved or not.
