Just for info, comment from STC page, haven't replied

Sirs, you will no doubt have noticed the article regarding Swaffham railings in the Watton paper. Is 25k in any way justified for this work, have you requested a break down of this amount lest the town council be held in part responsible for this atrocious waste of money. Can a cost analysis be published for Swaffham residents to view. Does the town council utilise the same formula when working out costs for works it carries out. Council TAX and elections are fast approaching and although thankfully Swaffham Town Council has decided not to increase it's precept this year it would be nice to see which other official drains the money is flowing down. A concerned citizen.
