

## The Lighthouse

Recorded by the Gibson Brothers

C F C  
There's a lighthouse on a hillside that overlooks the sea

D7 G7  
When I'm tossed it sends out a light that I might see

C F  
But the light that shines in darkness now will safely  
lead us o'er

G7 C  
If it wasn't for the lighthouse my ship would be no more

F C  
And I thank God for the lighthouse I owe my life to Him

D7 G7  
For Jesus is the lighthouse and from the rocks of sin

C F C  
He has shown a light around me that I can clearly see

G7

C  
If it wasn't for the lighthouse tell me where would this  
ship be

F C  
Everybody that lives about us says tear that lighthouse  
down

The big ships don't sail this way anymore  
D7 G7

There's no use of it standing 'round  
C

And my mind goes back to the stormy night  
F C

When just in time I saw the light

Yes the light from that old lighthouse  
G7 C

That stands up there on the hill
