

COVID-19 UPDATE

Following the Government's announcement on Wednesday 19th January 2022 that their Plan B of Covid restrictions will be lifted, the EIBA wishes to advise Indoor Clubs and bowlers on how this will affect them.

With immediate effect

Staff, if they could, are no longer being asked to work from home and you should now discuss with them arrangements to return.

From Thursday 27th January 2022

- There is no legal requirement to wear a face covering when entering and walking around the Club.
- However, the Government recommends that people should continue to wear them in crowded and enclosed spaces, but if people wish they can remove them when on the green playing.

In addition we recommend that Clubs

- Continue to keep in place hygiene measures to reduce the risk of transmission such as hand sanitisers around the club.
- Maintain the existing cleaning regimes for areas which are touched often eg door handles and equipment.

If you require any further information then please contact me via email peterthompson@eiba.co.uk

Yours sincerely
Peter Thompson,
Chief Executive
