## **News from St. Nicholas Church**

A loyal toast 'God save the Queen' good health and happiness to her Majesty on the occasion of her Diamond Jubilee from all her loyal subjects in Boughton Malherbe and Grafty Green.

**Parish Footpath Walk & Tea** - We hope to see many of you coming to join the Footpath Walk and Tea, to celebrate the Queen's Diamond Jubilee on Saturday 2<sup>nd</sup> June at 2.00pm for those who would like to walk. Teas will be served from 3.00pm. There is no charged for tea but if you would like to give a donation, it will be given to the Village Hall to help with the refurbishment. Maps will be available at the Church on the day and if you have a mobile phone it might be a good idea to bring it with you just in case of an emergency. We hope for a sunny day with little or no wind.

**Prayer Morning at St. Nicholas Church** - On Tuesday 12<sup>th</sup> June Prayers will be said in St. Nicholas and again on 26<sup>th</sup> June at 9.30am and at Ulcombe All Saints on 19<sup>th</sup> and 3<sup>rd</sup> July.

**Village Coffee Morning** - We will be holding the monthly Coffee Morning on Wednesday 13<sup>th</sup> June 10.30-12.00 in the Village Hall. By then you will have photos of the Jubilee celebrations. Please bring them along with you as most people love to look at photos. Coffee, tea and homemade cheese scones and cakes will be available. This event is open to everyone - not just those who go to church - come and join us, it would be good to see you. Again, we pay by donation, which will be sent to a Charity at the end of the year.

**Cream Teas** - Cream Teas will be starting on 8<sup>th</sup> July, 2.00pm-5.00pm, served in the Churchyard if sunny and in the Church if the weather is too windy or rain threatens. A pot of tea and two scones, jam and cream are at a very minimal cost. Beautiful views over the Weald of Kent - what could be better on a Sunday afternoon in the middle of Summer?

**Sheila Millen** - It was with great sadness that we heard of the sudden death of Sheila Millen on 14<sup>th</sup> May and our thoughts and prayers go out to John and the family at this very sad time.

**Songs Of Praise** - On Sunday 3<sup>rd</sup> June at St. Mary's Lenham after the morning Service they are holding a Bring and Share Lunch followed by showing the Jubilee River Pageant on a Big Screen. At 4.00pm they will be holding a Songs of Praise to celebrate the Diamond Jubilee.

**Gentleman's Breakfast** - The next Breakfast at the Red Lion will be on 30<sup>th</sup> June. The Speaker is Christo Thiaridt, a Blind Church Leader. Please ring Dick Venn on 01622 858195 or Frank Allen on 01622 850559 to reserve a place. The cost is £6.00.

# Grafty Green Short Mat Bowls Club

Welcome to this newly formed club and these notes which aim to cover the basic set up. Of course with anything new not all the i's are dotted and t's crossed at the start thus your ideas and input will be welcomed. It is envisaged the club will cater for all levels of interest - i.e. those whom want to play ad-hoc social games to those whom want to progress to play more competitively in friendly matches with other clubs or even leagues.

The club has been able to get off the ground with the invaluable support and financial help from the village hall committee. We have purchased two second-hand 'carpets' together with second-hand bowl delivery mats, sets of bowls, 'jacks' and fenders. Additionally we will have to meet hall hire costs, and it will be in our longer term interest to affiliate with the ESMBA (English Short Mat Bowls Association). In order for the club to 'pay its way' the following charges are proposed:

Annual membership fee of £5. (Payable after four initial sessions).  
Session charge £3 for those using 'club bowls' or £2 if using own bowls.  
Tuition has been arranged and will be free of charge.

You will need flat soled (no heel or tread) shoes which are changed into in the hall and not worn outdoors (to protect the carpets). Ideally in time you will purchase your own sets of bowls which is recommended so that you have the size, weight, bias and 'feel' that suits you – we can give you contact details for both new and second-hand bowls.

Initially sessions will be Wednesday afternoons and Thursday evenings with play starting at 2.15 and 7.45 respectively thus you ideally will want to arrive perhaps 15 minutes earlier giving time for the carpets etc. to be got ready.

With two carpets it is possible to accommodate up to 16 bowlers on each session, so with the afternoon and evening session there should be space for everybody – depending on the take up we may ultimately have to look at extra sessions or at worst capping membership.

On 'healthy and safety' which now rules our lives trip hazards are our main risk –the edge of the carpet, the bowls, the centre block and the end fenders. Please be careful. To accommodate the correct length carpets they will necessarily go up to the toilet doors including 'end fenders' and 'dead bowls'. To minimise risk please keep 'dead bowls' clear of door entrances and minimise toilet usage during sessions with the end fenders in situ and 'in-play' bowls in the locality.

Robert Turner has kindly agreed to act as treasurer. I will act as co-ordinator until we establish a committee format. *The main thing and above all **ENJOY YOUR BOWLS*** and don't hesitate to contact me with any queries.

## **Queen's Jubilee Celebration- Monday 4<sup>th</sup> June**

Grafty's Jubilee celebration centres on a hog roast in the field in Church Road once used for our annual fetes. As I explained in detail in last month's magazine, this will be accompanied by various entertainments but I'm sorry to have to say that – due to circumstances completely beyond our control – Hobo Jones & The Junkyard Dogs are now unable to play for us. Instead, The Abbey Capers Barn Dance Band will entertain us and get us dancing in the main marquee after the meal.

I hope you have your hog roast tickets, as numbers are limited to the servings we can get from one hog! Enquire at the village shop if you've not got yours yet (Price: £5, or £2.50 for under16s). If you are too late for hog roast tickets, don't forget you can still come and enjoy the entertainment.

Gates open at 4.00pm and entertainment begins soon after.

The hog roast begins serving at approx 6.00pm. There will be tables & chairs in the marquee, disposable plates and cutlery will be provided and drinks will be on sale – so just come along and enjoy! (If you need to bring a car, there will be parking available.) The hog roast tickets are individually numbered and the numbers will be entered in a Grand Prize Draw (winners to be announced after the meal).

At dusk, after enjoying the Barn Dance Band, we will all struggle up Church Road to light our jubilee beacon – after which, I suspect, most of us will roll back down again to the pub!

We are still seeking volunteers to help us on the day, and also to help set up on Sunday 3rd and clear up on Tuesday 5<sup>th</sup>, and we would also welcome contributions (in advance) towards a prize for our Grand Draw. When you pop into the shop for your tickets, perhaps you could buy a bottle, a jar, or a pack of chocs, and leave it with Rob as your donation? Otherwise anything delivered to any Hall committee member would be well received. My own contact number is below. Please let me know if you can offer any help, or contribution.

See you all on 4 June!

**Richard Pilborough, Hall Committee Chairman (tel: 850484)**

## **Update On Water Supply Problems.**

As previously reported, since the fire at The Barn the Parish Council has been in constant discussion with South East Water (SEW) concerning the low mains water pressure and inadequate flow rates for fire hydrants.

As a result of our previous survey we have established from the feedback that whilst water pressure is low there are no reports of houses where it is below the statutory minimum. However, some householders have said that pressure is so low that their roof storage tanks can run dry after a bath because the flow rate is inadequate. We have now received an assurance from SEW that if we provide a list of the addresses which have suffered this problem they will try to assist.

**WILL ANYONE WHO BELIEVES THEY HAVE SUFFERED FROM INADEQUATE FLOW INTO THEIR ROOF COLD WATER STORAGE TANK WHICH HAS CAUSED A PROBLEM PLEASE REPORT IT to:**

Ron Galton (01622 850 369) or leave your details on the list in the Grafty Green shop.

The parish Council will then take up the matter on your behalf with SEW.

With regard to Fire Hydrants, SEW have now stated after investigation into the system that it will not be possible to provide the high flow rates required by the Fire Service and because SEW are meeting their statutory obligations there are no immediate plans to improve the situation.

The discussions with SEW are likely to continue for some time.

**Ron Galton,  
Vice Chairman, Boughton Malherbe Parish Council**

## **Grafty Gourmet**

I had some friends round for dinner last weekend, and they all asked if they could have this recipe. I think they may have had too much wine though ! So I said I would put it in this months magazine. Its again, a very simple but very tasty meal. Serve with potatoes and veg, or chips if you prefer.

### **Filet Steaks with Brandy Cream Sauce - Serves 2**

2 x 1 to 1-1/4-inch-thick pieces fillet  
beef (about 7-1/2 ounces each)  
Salt and freshly ground black pepper  
1 tablespoon unsalted butter  
3 tablespoons finely chopped shallots  
1/4 cup brandy

1/2 cup beef stock  
1/2 teaspoon Worcestershire sauce  
2 teaspoons Dijon mustard  
1/2 cup double cream  
1/2 to 1 teaspoon fresh lemon juice

1. Season each steak generously with salt and pepper. Ensure that steaks are at room temperature, and not straight from the fridge. Heat a heavy-based (preferably cast-iron) frying pan on a high heat. Test by touching the edge of one steak to the pan surface; it will sizzle briskly when ready. Immediately drop in the steaks and sear one side for 2 minutes. Flip the steaks and sear the other side for 2 to 3 minutes. Cook for longer if you prefer your steaks more "well done". Remove the steaks to a warmed plate and let them rest, covered loosely with foil, while you make the sauce.
2. To make the pan sauce: Return the unwashed pan to medium heat. Add the butter and let it melt. Add the shallots and cook, stirring, until tender, 1 to 2 minutes. Add the brandy and stir with a wooden spoon, scraping up any browned bits stuck to the pan. Add the stock and Worcestershire sauce, raise the heat to medium high, and bring to a boil. Whisk in the mustard and then the cream. Continue to cook at a boil, stirring, until reduced to a sauce consistency, 3 to 5 minutes. Taste the sauce and season with salt, pepper, and lemon juice. Serve the steaks with the sauce.

## **Here Comes a Super Summer**

After what I have heard brilliantly described as our recent 'torrential drought' it seems summer is determined not to make an appearance. However, there is still much for us to be doing, both children and grown-ups!

We have already been busy this term with plenty of activities for the children, some popular and some not so popular. As you may be aware, the second full week of May sees the National Tests for children in Year 6. Children in Year 6 have also attended Safety in Action 2012 this term. This is designed to give them an insight into how they should deal with a wide variety of problems, including on the railway, at the seaside, in a disco and even at home. The children represented the school well, doing their best to make safe and sensible choices.

Children who will be in Tawny Owls next year have already had the opportunity to find out about the Residential Adventure in March 2013. We have invited John Mayne CE and Platts Heath Primary Schools to join us for the fifth year. We will all be heading off to PGL Osmington Bay in Dorset for a wonderful weekend in the spring sunshine.

As well as all of this we have had a few important jobs attended to, including repairs to the adventure trail and several minor repairs inside and outside the building. You may have seen the new outdoor shelter, which we are delighted to have, and you can read more about below. You can also find out about the great news regarding our Library project, our next Friends' Dinner and Jubilee Celebration, the Summer Fayre, the Summer Ball and the Olympic Torch celebrations.

## **Hooray For Her Majesty!**

We look forward to welcoming very many of you on Friday 1st June. This will be our next Ulcombe School Friends' Dinner. By the time you read this it will be too late to book a place, but if you receive this before Friday 1<sup>st</sup> June you are welcome to join us after lunch. At around 2pm, the children will be leading a very special assembly, as we celebrate the Queen's Diamond Jubilee and the reign Queen Elizabeth II. I know it will be a very enjoyable time.

As part of the celebration we hope to be finding out more about the Queen's coronation. If you have any brief stories or anecdotes regarding the Queen's coronation that you would like to share please have these in mind. There will be a short time when visitors will be able to tell the children about that special day in history.

## **Onwards And Upwards For Our New Library**

There has been significant progress with the improvements that we want to bring about to our school. Our new library project continues to move onward, and we hope soon that it might be upward.

The sale of the land was handed over to the school to handle by KCC in mid-May. The only stumbling block to the sale now is the electricity sub-station, which anyone buying the land will want to be moved. We in school, KCC and the Diocese have all worked hard to find a solution to this, and we believe this has now been achieved.

## **The Gazebo Has Landed**

As you may have seen by now, our outdoor classroom and shelter has been installed. Children, parents and staff have all made good use of it already, as a place to play, relax and take cover.

This project was first conceived by our School Council, who have put up over £1,000 for it. For those of you who are not aware, the School Council consists of two children from each year group, who meet to discuss ways of improving the school. Currently the School Council is considering how we can make the school more energy efficient in line with being an Eco-School. The council has donated some of its money to the model train project being completed by Tawny Owls. They are also going to plan new markings on the playground to compliment what we already have.

We cannot fail to mention, however, that the gazebo would not have been possible without financial support from FUS and the support of the committee in chasing quotes and making sure the project is completed to our satisfaction.

## **The Olympic Torch Is Coming To Maidstone**

On the last two days of Term 6 the Olympic Torch will be in Maidstone as it makes its way around the country prior to the opening ceremony of the London 2012 Olympics on Friday 27th July.

The torch will be arriving at Leeds Castle in the evening of Thursday 19th July, with Year 6 chosen for the privilege of going to the Maidstone Torch Schools Event during the afternoon and evening. They will then be on hand to see the torch arrive and the celebrations for it.

For everyone else, I would encourage you to head up to the A20, as on the day the torch will be taken around the east of the county, before finally coming through Harrietsham at 6.19pm then on to Leeds Castle. Maidstone Borough Council are holding a community event in Mote Park for everyone who does not have a ticket for the event at Leeds Castle. See the local press or the MBC web-site for more information.

The following morning the torch will leave Mote Park in Maidstone and travel to Medway before heading west to Guildford. If you want to see the torch on Friday 20th July you will need to be an early riser—it is leaving Mote Park at 6.42am, being out of the town soon after 7.30am. For a full itinerary, including all seventy days of the torch's journey, see the BBC web-site.

## **Friends of Ulcombe School**

FUS have continued to be very active, helping to raise funds for the benefit of all of the pupils here at Ulcombe. In mid-May the plants ordered through FUS arrived. This has been another successful fund-raiser, so thank you to all the green fingered people who have bought plants in this way. FUS have been able to contribute well over £3,000 to the gazebo project, and are now thinking of how else they can help to make our great school even better.

On Saturday 23rd June we have our Summer Fayre. The Sports Day starts at 11am. The Summer Fayre follows immediately afterwards, and this promises to be another great Fayre, with plenty of stalls and activities to enjoy, including a prize raffle, refreshments and a barbecue.

On Saturday 14th July FUS are holding a Summer Ball. As in the past there will be an auction with wonderful lots to bid for, as well as a great meal and the chance to dance the night away.

If you have booked already we would be very grateful if you could pay for your places soon. There are still spaces available, so if you want to book more places please contact us as quickly as possible.

## **Lenham Football Tournament**

Congratulations to the players (and supporters!) who braved the weather for the annual Lenham 5-a-side Football Tournament on Saturday 28th April. The team played brilliantly, even though they had to have a player 'on loan' from Platts Heath School, reaching the Plate Final.

The team finished fourth overall, which was a highly creditable achievement as there were a number of absentees. Very well done to the team!

## **Make Kent Quicker Broadband Campaign**

The [makekentquicker.com](http://makekentquicker.com) campaign will help Kent to tell broadband suppliers that there are people across the county who want better broadband.

Go to [makekentquicker.com](http://makekentquicker.com) to register – it can take as little as two and a half minutes. At this web-site there are also posters that you can print to encourage others where you live to register too. Business can sign up as well – and we would welcome any support to get the message out as widely as possible.

As ever, if you have any questions about what we are doing here in school, or if you can offer to help, please do not hesitate to get in touch.

## Customer Relationship Management.

There's something to be said for keeping communication simple. People using big words are frequently hiding an insecurity or something worse. KISS is still a term used by business, not to encourage you to embrace your fellow trainees but short for 'Keep it simple stupid'! So when another phrase is invented by a busy executive and we are all supposed to start talking the talk you can hear people sighing and instantly forgetting the phrase.

Unfortunately for business too many people think the more big words and 'catchy' phrases they use the better they are and the more they can charge. Well, good luck to them. Change happens sure, but does a new phrase really bring a greater awareness?

CRM stands for Customer Relationship Management, mmmm . . . know what, since that phrase was introduced it's caused quite a few problems. More people don't know what it means than do. If your business name is shortened to the same letters heaven help you because everyone will get it wrong and call you CRM (if they can remember that). (I know that because my business is called CMR)!

Back to CRM. Here's Wikipedia "a widely implemented model for managing a company's interactions with customers, clients, and sales prospects." You knew that! Or did you. I think that since we started calling it CRM more companies don't reply to telephone calls and emails than do. And that will be their downfall. I have had more experiences than ever recently where buying customers (and suppliers) have been trying to reach a business that seems to be unable to respond in the right way at the right time.

Business is not about one business, doing business with another business. It is about a person having a professional relationship with another person - real flesh and blood, thinking, experienced, responsible. And it is so easy. Treat your enquiries the way you want to be treated. Answer the phone calls with a smile. Respond to the messages. Answer the email. Develop the business one step at a time and in no time you'll get respect and more importantly you'll get referred! Build business in the traditional way. Call it CRM if you like - just as long as you make it work for you!

Apology: it's not often that a particular issue gets a buzzer in the bonnet, but when it does, flush it out with GOB - a new term meaning to rid one's frustration as soon as possible, short for Get Out Buzzer - let's hope that doesn't catch on. Smile here.

First networking meeting with LVBA? Then please register first <http://www.lenhambusiness.co.uk/registering.html> or if you prefer a more traditional mode of communication - just phone **Alan Reading** on 01622 820841. It's good for business and fun.

## The June Night Sky

The **Sun** is in the constellation of Taurus at beginning of June, and moves into Gemini on the 21st. The **Summer Solstice** occurs on 20th June, which is the longest day. After this date the days will start getting shorter! (Where's our summer?)

**Full Moon** occurs on Monday 4th June, when it is in the constellation of Ophiuchus, and **New Moon** is on Tuesday 19th June.

Whilst still on the subject of the Moon, not many people were able to see the so-called "Supermoon" last month on 6th May. This is an annual event, when the Moon's elliptical orbit brings it closest to the earth, at the same time as full moon.

**Mercury** is at its greatest distance east of the Sun on 1st June, so we are again unlikely to see this elusive little planet this month.

**Venus** is in inferior conjunction on Wednesday 6th June. This normally means that it passes almost directly in front of the Sun. But on this occasion it will pass exactly in front. So there may be an opportunity to observe a **transit of Venus** across the disc of the Sun. The last transit took place in 2004, and there will not be another until 2117.

It would again be wise to warn of the dangers of looking directly at the Sun. The safest way is to arrange a telescope or binoculars to project an image on to a white card or screen. It may then be possible to see a small black dot moving across the face of the Sun.

Towards the end of June it may be possible to see **Venus** low in the northeast just before sunrise, as a brilliant "Morning Star".

**Mars** is in the south-western sky at dusk, and sets in the west around midnight. Relative to the stars it is moving steadily south-eastwards from the constellation of Leo and into Virgo on 21st June. Through a telescope it will be getting increasingly more difficult to see any details.

**Jupiter** is now emerging into the morning sky, and can be seen towards the end of June low in the north-east just before sunrise.

**Saturn** is in the south-western sky at dusk, and does not set until after midnight. It is almost stationary in the constellation of Virgo. Again it is well placed for viewing. Through a telescope you should be able to see the famous rings together with many of its moons.

## Ulcombe History Society

### Weekend Trip to Versailles, Chartres Cathedral and Fontainebleau.

Friday 14 September to Sunday 16 September

Our two day trip to France will cost between £199 and £213 – depending on how many come (and single supplement of £20 a night for a single room).

The cost is inclusive of the coach, two nights bed and breakfast, entry to Versailles and Fontainebleau, and the assistance of a Tour Manager. We will have to buy our own lunches and dinners.

We leave at 1 pm on the Friday from Ulcombe Village Hall Car Park in order to stop for an evening meal en route.

For more details, contact Molly Poulter on 01622 842988.

If you would like to join us, we need a deposit of £30 by the end of May.

Please send the details below with your name and address, and your bed requirements, and enclose your cheque for £30 per person made out to *The Ulcombe History Society*, and send to: our Treasurer, **John Moore, at Eastville, Eastwood Road, Grafty Green, Maidstone ME17 2DQ** (tel. 01622 850384)

## Ulcombe History Society

The next meeting of the Ulcombe History Society will be on Tuesday the 26th of June when local residents, Pippa and Albert Evans, give a live account of the work of Aphra Behn, the celebrated seventeenth century woman playwright. Pippa is an actress, so it promises to be a good evening.

We meet at 7.30 pm in Ulcombe Village Hall, and enjoy a glass of wine after the talk. Visitors welcome

## **Christian Message June 2012**

### **Hosepipe Ban**

Shortage of water. Hosepipe ban. Gardens dried up. Lawns looking like the desert. Vegetables and flowers not flourishing. 'A drop of rain will make all the difference,' says the gardener.

Broken families. Rebellious children. Violence in the streets. Obscene wealth and life sapping poverty living side by side. A lack of harmony in society. The world not a place of peace and joy as its creator had hoped.

'Water from me will make all the difference', says Jesus.

In the public mind Christians are seen as people bickering over differences, maintaining ancient buildings and rituals equally old, some wearing strange clothes and generally doing things which mystify onlookers.

That's not how Jesus intends his followers to be. His followers, those described in Dick Venn's article last month, are quite different.

On a great public occasion in the temple in Jerusalem Jesus stood up and said in a loud voice, "Let anyone who is thirsty come to me and drink. Whoever believes in me, rivers of living water will flow from within them." (John 7:37)

Christians are to be like rivers of living water in their communities. They are to be messengers of God's forgiveness and his healing power. They are called to bring comfort to the distressed and reconciliation in disputes. They are to be welcoming, loving, sharing and praying wherever greed and selfishness reign.

A good shower refreshes and revives the garden. The prior activity of Christians is to love God and in so doing to refresh their communities by acts of love and life giving words.

The hose pipe ban does not apply to Christians. Through the power of the Holy Spirit living water is freely available to transform communities. God has not announced a hose pipe ban. Streams of living water are available.

## Music Notes - June

This month, as well as the Maidstone Festival of Music and Dance we have a music festival of national importance here in Kent. The Stour Music Festival is held at Boughton Aluph from 22<sup>nd</sup> June to 1<sup>st</sup> July. Marking the centenary of founder Alfred Dellar and its own half-century, the festival has this year lined up a star-studded celebration of all things alto, headed by Andreas Scholl, The Hilliard Ensemble and Trevor Pinnock. The concluding Bach B minor mass will be conducted by Dellar's son Mark. Details telephone 05603 434123 or [www.stourmusic.org.uk](http://www.stourmusic.org.uk)

The Maidstone Festival opens on 17<sup>th</sup> June. For full details contact the festival office on 01622 695283. Some of my local selection of concerts this month are part of the festival:

- Monday 4<sup>th</sup> June , 7.30pm at Whatman park, Maidstone, a free Diamond Jubilee open air concert. Picnics from 4.00 pm. Information 01622 758611
- Sunday 17<sup>th</sup> June, 7.00pm at Mote Hall, Maidstone – the opening concert of the Maidstone festival; a Festival gala led by The Maidstone Singers, orchestra and Maidstone schools. Information and tickets 01622 695283
- Saturday 23<sup>rd</sup> June, 7.30pm at Maidstone United reformed Church, Weeks Street, Maidstone – Maidstone Operatic Concert Party will give a charity concert of songs from popular shows in aid of Hi Kent, the local charity for the deaf. Admission by donation. Programme plus refreshments £5. Well worth supporting.
- Saturday 7<sup>th</sup> July, 7.30pm at Mote Hall, Maidstone. Maidstone Choral Union make their contribution to the celebration of 60 years of the Queen's reign with **Jubilee!**, a performance of music from coronations through the years, together with some traditional "prom" favourites. ## Appeal for help

Leeds Church is looking for someone who would be willing to occasionally provide the music to accompany hymns at a service, when our normal volunteers are not available. Piano, organ, violin, clarinet – any reasonable alternative. Or even someone willing to learn to operate an existing computer-based recorded music system.

If you think you might be able to help, telephone Brian Hardy, 01622 842915
