

Leicester City & District Parks Bowling Association

WILSON SHIELD – 2024

The Wilson Shield is played as four rinks of triples from each Club, with each rink playing on a different green against different opposition. It will be played over 18 ends plus one extra end on each rink. The overall shots difference by every Club will decide the winner and in the event of a draw on shots difference then the extra ends will be used to find a winner.

Each club will have one rink at home. Please nominate someone in that rink to collect the scores from both games on your green and ring them through to the Competition Organiser on 07973759517 on completion of the games

All games to be played

At 6pm on Monday 5th August 2024

At	Evington			Western Park
