Discussion about re installing village sign to east of the village

AGREED: That the village sign to the east of the village should be moved further out even if this goes against VIA advice check locations near to THE CHEVRILS DRIVEWAY 10/11/25

ACTION: LUKE to ask via to move sign out towards The Chevriels 10/11/25

Whilst talking with VIA

ACTION : LUKE contact VIA - follow up about tube test results, ask to move 30 sign out from the village, car in the hedge and wall knocked down at the Junktion. Trips on pavement 10.12.24

Anything that is available what is possible?

- Incoming staggered 30mph signs 3 warnings before the 30mph.
- 40mph buffer
- Signage... children crossing warning sign.
- Chevrons on the road.

Surface noise is causing serious disturbance in the village, strips from services. Why are we not on the schedule for the road surfaces.

ACTION: LINDY ask via if we are on the schedule for the road maintenance. 10/11/25

ACTION: LUKE to ask VIA about gateways and chevrons into the village 10/11/25

ACTION: ROSEANNA Try contact for field opposite daisy cottage vegetation. 10/11/25

4 PLANNING TRACKER / PUBLIC CONSULTATIONS

IMPORTANT REQUEST FROM OUR CLERK LINDY: Important: When you respond to the planning applications, please make sure that you don't represent the village.

This is an opportunity to discuss planning applications in our area and give feedback where relevant. You can view live planning applications on a map of Hockerton from our new website

www.hockertonparish.gov.uk

Sustainable Hockerton PV array next to the wind turbine

When planning decisions come through, individual households who wish to voice their decision separately from the village must do this directly on Newark and Sherwood website. The form circulated is for the Parish Clerk to complete on behalf of the village, it is shared so that you have all the information I have received from Newark and Sherwood Planning. You can submit an individual form and let me know, so that it is also raised on the village form. Information received is only shared with Newark and Sherwood Planning. On the village form I do not share names of individuals only the information given re your concerns.

5 VILLAGE EVENTS

Burns Night Proposal

Debra suggested a Burns night in the village hall. We will ask SHL if they will partly fund it.

Winter Village social in the Pub

SHL have agreed the same budget as last year £300 towards event reducing price per head by £5 there would be some extra budget to incentivise some musicians to come and play. Set for 18:00 Tuesday 9th

Pavements and pathways working group

Very successful action afternoon on the pavement between Pub and Phone box

AGREED: Next date for on the pathways and pavements 15TH FEB 10/11/25

6 ANY OTHER BUSINES

Update regarding vegetation on church lane -

Luke contacted Via and Darren Pirrog contacted NSDC who came and collected it. It was apparently it was not debris from a via team so must have been residents.

Rats

Village vigilance as population is probably high from warm winter last year. Baiting at the pub will be happening on.
