News from St. Nicholas Church

St Nicholas Church

St Nicholas re-wiring, the installation of new lighting and heating and the re-decoration of the interior of St. Nicholas is almost complete. The Church is looking wonderful inside and features which have not been very visible before can now be seen. All the monuments on the walls are easy to read, including the very old wall brasses on the walls of the Chancel. A hearing loop has yet to be installed, but the wiring for this is in place. New legislation decrees that we have this facility. The roof repairs and re-plastering of the facade of the porch is next on the list and is about to be started as I write this piece for the magazine.

When all the work is finished, we hope to have an open day so that we can show off our wonderful new decorations etc, but of course before that happens anyone can come along and have a look inside the church. Our services are at 9.15a.m. and on the 3rd Sunday of the month, Evensong is at 6.30p.m. Starting in the New Year our morning services will be at the new time of 9.30a.m.

Some of you maybe wondering how we have managed to have all this work done and the cost of it all - the answer is by very careful money management lead by John Collins. The overseeing of the work has been done by Kenneth Alexander on behalf of the PCC. Our legacy to the next generation is a clean, bright and WARM Church - a Church to be really proud of. We haven't got a loo yet but that will come in the not too distant future we hope.

Our thanks are due to Peter Culham our electrician, Keith the painter and the other members of the team, not to mention all ladies and gentlemen who have helped with the cleaning of the church after the scaffolding had been removed and that has been a mammoth task. Thank you all so much.

St. Martin's Day Procession

On Sunday 12th November the children of the Sunday School, supported by mums and dads and members of the Benefice Congregations, celebrated the feast day of St. Martin with a short service held by the West Door of St. Nicholas followed by a lantern lit procession to the Old Rectory, where the Goodwin

family laid on a wonderful candle-lit tea for us all. Many many thanks to Vanessa, Dominic and Gerda for such a fantastic tea.

St. Nicholas Procession

The St. Nicholas Day Procession is to be held in Canterbury again this year. It will gather at the Westgate at 1.00p.m. The procession will start from there about 2.00p.m. and will parade through the main shopping area of the City finishing at the Cathedral with a short service lead by Bishop Stephen and the Dean of Canterbury and St. Nicholas. They will have taken part in the procession making sure people realise that, despite all the rush and bright lights and panic of “Have I got enough of this and that”, all this is because a little baby was born in Bethlehem in a stable all those years ago. Come and join us – it’s great fun. If anyone would like a lift get in touch with Sally, Mair or Joan.

Christingle Service

The Christingle Service will be held in St Nicholas Church on 10th December at 9.15a.m. This is a lovely Service for children and their parents. Each child will receive a Christingle to take home.

Carol Singing

We will be Carol Singing again this year on Tuesday 19th December. We will meet on the Green by the Christmas Tree at 7.30p.m., sing there for a short time then move on to March Farm where Audrey and Roy Wickens will entertain us. Next we’re off to the Who'd a Thought It and back to the Kings Head. Come along and join us for a fantastic evening. We will be collecting for Demelza House Children's Hospice once again.

A Candlelit Carol Service

The Carol Service will be held on 17th December at 3.00p.m., a Service of Nine Lessons and Carols. This will be a celebration for the completion of the all the new lighting etc. After the Service we will serve punch and mince pies as usual. Do come along and see for yourselves what a lovely old Church we have, now that it’s properly illuminated and heated.

Crib Service

The Blessing of the Crib will be on 24th December Christmas Eve at 3.00p.m. - a lovely service for the children. This service is candlelit too.

Neighbourhood Watch

Kent Trading Standards would like to make you aware of the following.

Consumers may receive a card posted through their door or an E-mail from a trader called PDS (Parcel Delivery Service). The card or E-mail suggests that the sender was unable to deliver a parcel and that they need to be contacted on 0906 6611911. This is a premium rate number charged at a minimum of £1.50 per minute. Consumers are advised **NOT** to call.

Kent Police is urging the public to be vigilant to the dangers of identity theft. This coincides with National Identity Fraud Prevention Week which aims to raise public awareness of the threat of identity theft.

Kent Police's Cheque and Credit Card Unit have recently uncovered an Aladdin's cave of stolen property, along with lists of credit card numbers used to buy the goods, at two addresses in Gravesend following a number of arrests and property searches.

We would like to encourage you to pick up a leaflet in your bank, post office or on the front counter of Maidstone Police Station. Please read the leaflet to make you aware of ways you can protect yourself.

With the nights darker earlier can I warn you and your member to take caution in keeping your curtain and blinds open when your internal house lights are on. This will ensure that passer-by can not see into your home. Also, please think about getting timer switches for your lights, then if you are home later in the

evening your house has not been kept in darkness. Mid Kent Police still has one of the lowest burglary rates, however it is always better to be safe than sorry.

I have been informed that the yellow pages will be delivered in your area over the next three weeks. Can you please make your members aware and ask them to take any in for the neighbourhood. Having them left on the doorstep can make your house look empty.

The Dance held in the Hall on Saturday 18th November was an outstanding success with over 70 people enjoying the excellent band **Walls have Ears**. Many thanks to all those who attended and contributed towards a great evening. The event raised £530 that will go towards Hall funds to improve the facilities the Hall can offer its users.

With Christmas almost upon us the next scheduled event in the Hall will be a Barn Dance with the Band **Folkal Point** with calling by the experienced and popular Roy Gill to be held on Saturday 24th March 2007 starting at 7.30pm. More information regarding this event will be published in forthcoming issues of this magazine and on posters throughout the parish.

BUS SERVICE 59
Grafty Green – Maidstone via Ulcombe and Kingswood

I'm sure you might just have noticed, but it will soon be Christmas, and many of you will now be well into your Christmas shopping. It might be timely, therefore, to remind you that Bus Service 59 is still operating, and that it really can provide a practical alternative to the car, especially with the particular difficulties of finding somewhere to park at this time of the year.

The Monday to Friday service is provided by Arriva (01622 697000 / www.arrivabus.com) and on Saturdays, including the period 27th to 30th December, by Nu-Venture (01622 882288 / www.nu-venture.co.uk).

Nu-Venture's Saturday service is funded by Kent County Council (www.kentpublictransport.info) and the same prices and ticket arrangements apply as on Arriva's Monday to Friday services. The current fares between Grafty Green and Maidstone, some of which were reduced earlier this year, are as follows:-

- Adult Single £3-20
- Adult Off-Peak Day Return £4-80 (available after 9am Mon to Fri and all day on Saturdays)
- Children from aged 5 to their 16th birthday travel at half the Adult fare at Off-Peak times.
- Persons aged 60 and over, of course, travel free at Off-Peak times, as long as they are in possession of a countywide free off-peak travel permit, available on application from Maidstone Borough Council (01622 602334).

Although unchanged from the last time it was published in July's Malherbe Monthly, the current timetable is reproduced again for reference.

As with many rural services, bus routes, particularly those which are subsidised, are always under review, so the message as ever is **USE IT OR LOSE IT!**

Grafty Garden Cuttings – December

The sparrow hawk came to breakfast the other day, so close that we could look it in the eye. As we sat in the conservatory, eating ours, it dashed into the clematis, hooked out a sparrow and was away. We did have quite a large colony of sparrows, but either they are too frightened to come down to the feeders as much as they did, or most of them have already made sparrow hawk breakfast, lunch or supper. A sight that thrilled us recently was seeing the flock of starlings that comes in to Eastbourne pier as dusk falls. Little flocks gradually come in from all directions, to make one huge flock, which then performs amazing acrobatics and shape shifting, before falling to earth to roost for the night on the metal struts under the pier. This is one of the few places where this sight can still be seen.

Our strange late autumn continued with little really good colour, but in the end a few frosts did bring the leaves down and the grass, at last, seems to have stopped growing but the digging still beckons. It is also a good month for 'projects', like moving sheds or reorganising the borders, planning spring jobs and ordering seeds. Garlic, peas and broad beans should be up and protected by cloches and sweet peas will need pinching back, once they are 2-3 inches high.

To keep rose diseases, like blackspot, at bay, all dropped leaves should be collected up and burnt and mulch spread around the base of the plant, to smother any spores which might linger. New roses can be planted now, using plenty of compost in the planting hole (roses like rich soil) and more of the oft mentioned mulch applied, or hardwood rose cuttings can also be taken, inserted into a slit in the ground filled with grit, firmed in and left for a year until well rooted, before being lifted and moved to their final spots.

A composting trench for next year's runner beans can be started: dig out a deep trench and, completing small sections at a time, line the bottom with several layers of damp newspaper, add a thick layer of kitchen waste and cover with soil. Leave to rot over winter.

Between all these jobs it's time to celebrate, so I wish you all a Very Merry Christmas.

Maidstone Symphony Orchestra

Conductor, Brian Wright, will perform on Saturday 2nd December 2006 commencing at 7.30pm at Mote Hall, Maidstone Leisure Centre, Mote Park, Maidstone. The programme consists of three works:

- Sibelius - Symphony No.7
- Britten - Serenade for tenor, horn and strings, Soloist Neil Jenkins Tenor, Peter Hatfield Horn
- Dvorak - Symphony No. 7.

A concert that contrasts the magnificent 7th Symphonies of Sibelius and Dvorak - the one broodingly Baltic, the other passionately Bohemian. They frame one of Britten's greatest works, his Serenade, with Neil Jenkins, one of our finest tenors, joining old-Maidstonian, Peter Hatfield, horn currently playing in Norway. Concert tickets £10, £15 and £20, seats for children or students with a student Card £5, available from Membership Secretaries on 01622 736392, paid for and collected on the concert evening at Mote Hall, or from Mote Hall Box Office 01622 761111 when payment can be made by credit card. This concert is sponsored by Annabel Luzzatto. Many thanks for your continued cooperation and support to the MSO.

Grafty Green Heating Oil Club

Grafty Green has a successful Heating Oil Club. We have to date nearly 100 members all taking advantage of cheaper heating oil when ordered in bulk. To make this club work all members have to have at least the minimum 500 Litres every time we order, that is about 3 to 4 times a year. It makes sense to have a bulk order delivered over 2 to 3 days every 4 months, rather than have tankers clogging up our village every week.

We now cover Harrietsham, Headcorn, Lenham, Liverton Hill, Platts Heath, Sandway Ulcombe and Biddenden. If you would like to join or need some information about the club, email me on europa.13@btinternet.com or 01622 858350. The Oil Club is non-profit making.

Family History Group

We had a successful trip to the Family Record Centre in October, 36 persons, and room for more next time. Both the journey up and back were done in record time, 1 1/2 hours up and 1hr 35 mins back. I look forward to a full coach in 2007.

There will not be a meeting in December. We resume on Monday 22nd January 2007, the 4th Monday at 7-30pm in Harrietsham School West Street.

While you are sitting at home during the winter days, why not tune into Channel 4 Teletext Pages 174 and 175 for Family Tree and Page 171 for Lost Touch. It is on from Monday to Sunday, it changes each Monday. You may find some one else who is searching the same name as yourself. It has happened to two or three of our members. Further info can be had from Frank Long 01622 850863.

Finally may I wish all our readers a very Happy Christmas and a Peaceful New Year.

Heaths Countryside Corridor

A Ghostly day at Bull Heath

Visitors to Bull Heath, Lenham Heath, were surprised on Sunday 29 October to find Ghosts of Lenham Heath reliving their time in this village. Local actors portrayed a variety of characters including parlour maids, farmers and bishops. Nearly 100 people spent the afternoon in Bull Heath, experiencing this event, enjoying the unusual landscape, eating hot dogs, drinking soup and warming themselves by the bonfire. The event was organised by the Heaths Countryside Corridor and the Mid Kent Downs Project and funded by Kent County Council.

HCC's AGM takes place on Thursday 7th December at 7:30 at Charing Heath and Lenham Heath Memorial Hall. This year Lesley Feakes, a local historian, will be presenting a summary of the archaeological surveys of Chilston Park. There will also be festive refreshments and everyone is welcome to join us.

St Edmunds Centre - Platts Heath

Well after one or two hiccups the builder has started the refurbishment at last. The paper work has taken a very long time to get in place but at long last we are there.

We held a quiz night on the 21st October and raised £339. The trustees would like to say a big thank you to the villagers of Platts Heath for their generosity on Saturday 4th November when we collected £538 in donations. The hall is now closed for 12 weeks and, weather permitting, completion should be the second week of February.

May I take this opportunity to wish all our readers and supporters a very happy Christmas and prosperous New Year.

Changes to Sunday Service Times in the Len Valley Benefice

The leadership of the Benefice has spent some time over recent months examining the best way to meet the needs of the parishes within the constraints of the available resources. Those resources, across the four parishes, number several scores of committed Christians, elected and appointed members of the Leadership Team, Church Councils, Church Officers, Authorised Lay Ministers, Readers and one Priest.

In September, the leadership from across the benefice spent a day at Aylesford Priory and conducted an in-depth examination of parish life under the heading of the *'Healthy Churches Exercise'*. A separate leaflet explaining this in some detail has been widely circulated and is available upon request. The outcome of this exercise will form a basis for on-going discussion and will inform regular

Parochial Church Council meetings over the year ahead. In essence, the exercise concluded that the parishes are in '*good health*' but, inevitably and appropriately, changes and improvements were identified.

One of the first alterations to be agreed affects the timings of Sunday services; with effect from the New Year, the following will take place:

- ~ an additional benefice service will be introduced at the end of every month; this will 'rotate' around the four parishes in turn and will be at 10.30am. On quarterly occasions with five Sundays in the month there will be benefice services on two successive Sundays.
- ~ the once-monthly 8 o'clock service of Holy Communion at Harrietsham will cease; the weekly 8 o'clock service in Lenham is, of course, available to worshippers benefice-wide.
- ~ the regular time of Sunday worship in Boughton Malherbe will move from 9.15am to 9.30am.
- ~ the regular time of Sunday worship in Lenham will move from 10.45am to 11.00am; this enables the adjustment of service times in our sister-church in Boughton Malherbe.

These changes are designed to draw the worshipping community across all four parishes closer together. It is recognised that they may also bring some sense of loss but the pattern of services needs to be achievable within present staffing levels. I am most grateful to all concerned in parish leadership not only for formulating these modifications to the services, but also for their toleration and understanding of the need for change and its acceptance.

As Christians we are called to recognise that the Church, the *ecclesia*, (which is Greek for the '*gathered people of God*') is at its most perfect when it acknowledges its unity in God's redeeming love with all who confess that '*Jesus is Lord*'. In practical terms, this means that we are called to share with those around us; to worship and work together as a united benefice of four parishes. Please watch for service times and locations in your monthly Parish Magazines and on Church Notice Boards. If you have difficulty with transport to any of the services, please contact the Office (850604) and we will try to arrange a lift for you.

Parish identity is foundational but foundations are there to be built upon and not to stand alone. Accordingly, in addition to welcoming you to regular worship in your own parish church, I look forward to welcoming you to churches other than your own, especially over this Christmas-tide when we shall also be having benefice services on Christmas Eve and on New Year's Eve.

*Christmas blessings,
Revd Don Irvine*
