## Round Up

Wins for Sidcup and West Wickham mean they finish second and third respectively which was unlucky for Orpington Excelsior, who miss out on shot difference, but they can be proud of the efforts and good sportsmanship they showed to ensure games were played.

## News

This is my final Newsletter as Secretary and I just want to thank all clubs this year who have made the effort to get games played and for there to have been some semblance of a normal season, which in the end was pleasing if not entirely satisfactory.
