

Fernwood

Neighbourhood Plan

Neighbourhood planning gives communities direct power to develop a shared vision for their Neighbourhood and shape the development and growth of their local area.

You are being consulted on this draft Neighbourhood Plan so that any concerns can be understood. The plan can then be changed and improved to meet the views of the residents of Fernwood.

An online version of the full draft plan and the consultation questionnaire is available via the following website:

Printed versions are also available at the Village Hall
